February 25, 2026 12:49 AM EST

PITTSBURGH, Feb. 24, 2026 /PRNewswire/ -- WESCO International, Inc. (NYSE: WCC) ("Wesco"), a leading provider of business-to-business distribution, logistics services, and supply chain solutions, today announced that its wholly owned subsidiary, WESCO Distribution, Inc. ("Wesco Distribution"), priced its previously announced offering (the "Offering") to eligible purchasers of \$650 million aggregate principal amount of 5.250% senior notes due 2031 (the "5-Year Notes") and \$850 million aggregate principal amount of 5.500% senior notes due 2034 (the "8-Year Notes" and, together with the 5-Year Notes, the "Notes"). The aggregate principal amount of the 8-Year Notes to be issued in the Offering has been increased from the previously announced \$650 million to \$850 million. The 5-Year Notes will be issued at a price of 100.000% of the aggregate principal amount thereof. The 8-Year Notes will be issued at a price of 100.000% of the aggregate principal amount thereof. The issuance and sale of the Notes is scheduled to settle on February 27, 2026, subject to customary closing conditions.

Wesco estimates that the net proceeds from the Offering will be approximately \$1.48 billion, after deducting the initial purchasers' discount and estimated offering expenses. Wesco Distribution intends to use the net proceeds from this Offering to redeem all of its outstanding 7.250% senior notes due 2028 (the "Wesco 2028 Notes") on or after June 15, 2026 and repay a portion of the amount outstanding under the ABL Facility (as defined below). Prior to redeeming the Wesco 2028 Notes, Wesco Distribution intends to (i) use the net proceeds from this Offering to temporarily repay a portion of the outstanding borrowings under its accounts receivable securitization facility (the "Receivables Facility") and its asset-based revolving credit facility (the "ABL Facility") and (ii) subsequently redraw under the Receivables Facility and the ABL Facility in an aggregate amount sufficient to redeem the Wesco 2028 Notes.

The Notes will be unsecured, unsubordinated debt obligations of Wesco Distribution, and will rank equally with Wesco Distribution's other existing and future unsecured, unsubordinated obligations. The Notes will be guaranteed on an unsecured, unsubordinated basis by Wesco and its wholly owned subsidiary, Anixter Inc. (the "Guarantees").

The Notes and related Guarantees are being offered and sold only to persons reasonably believed to be "qualified institutional buyers" under Rule 144A of the Securities Act of 1933, as amended (the "Securities Act"), and to certain non-U.S. persons outside the United States under Regulation S of the Securities Act. The Notes have not been, and will not be, registered under the Securities Act or any state securities laws and may not be offered or sold in the United States absent registration or an applicable exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and other applicable securities laws.

This press release does not and will not constitute an offer to sell, or the solicitation of an offer to buy, the Notes or any other securities, nor will there be any sale of the Notes or other securities, in

any state or other jurisdiction in which such offer, sale or solicitation would be unlawful. Any offer will be made only by means of a private offering memorandum. This press release does not constitute a notice of redemption with respect to the Wesco 2028 Notes.
