

Wesco Completes Acquisition of Newark Engineering Group, Expanding Data Center Cooling and Lifecycle Services

July 1, 2026 10:05 AM EDT

PITTSBURGH, July 1, 2026 /PRNewswire/ -- Wesco International (NYSE: WCC) today announced the successful completion of its [previously announced](#) acquisition of Newark Engineering Group ("Newark Engineering"), a Singapore-based provider of engineered cooling solutions and lifecycle services for data centers.

"Newark Engineering brings specialized expertise in designing, installing and maintaining advanced thermal management systems critical to data center performance and reliability. This acquisition expands Wesco's participation in the data center value chain, while strengthening the company's presence across Southeast Asia," said Wesco Chairman, President and CEO John Engel.

About Newark Engineering Group

Headquartered in Singapore with offices in Malaysia and Indonesia, Newark Engineering Group is a provider of mission-critical cooling and thermal management solutions, delivering integrated customized HVAC solutions spanning design support, equipment supply, installation, commissioning and lifecycle services for data centers and other mission-critical infrastructure across Southeast Asia.
