

Wesco International Announces Agreement to Acquire Rahi Systems, a Leading Provider of Global Hyperscale Data Center Solutions

September 7, 2022 12:00 PM EDT

PITTSBURGH--(BUSINESS WIRE)-- Wesco International (NYSE: WCC) today announced it has entered a definitive agreement to acquire Rahi Systems Holdings, Inc., a privately held company headquartered in Fremont, California for \$217 million, and a leading provider of global hyperscale data center solutions. The purchase price represents approximately 7.5x Rahi's projected trailing twelve months adjusted earnings before interest, taxes, depreciation and amortization (EBITDA).

Rahi Systems serves the full lifecycle of data center solutions by helping their customers manage and simplify technology. With this acquisition, Wesco will combine Rahi with its Communication and Security Solutions (CSS) strategic business unit.

"This acquisition strengthens our leading data center solution offerings for our global customers," said John Engel, Chairman, President and CEO of Wesco. "Rahi's extensive services portfolio serving the leading global hyperscale data center providers expands the cross-sell opportunities across our company."

"Rahi has a successful history of above-market growth since its inception. With more than 900 employees in 25 countries around the world, this acquisition provides complementary global coverage and enhances our full suite of data center solutions for contractors, integrators and end-user customers," said Bill Geary, Executive Vice President and General Manager, Wesco Communications and Security Solutions.
