

WESCO International, Inc. Releases 2021 Sustainability Report

November 19, 2021 1:00 PM EST

PITTSBURGH--(BUSINESS WIRE)-- WESCO International, Inc. (NYSE: WCC), a leading provider of business-to-business distribution, logistics services, and supply chain solutions, is pleased to release its [2021 Sustainability Report](#). The report provides a comprehensive overview of the company's progress in its environmental, social and governance (ESG) journey, and introduces its sustainability goals for 2030.

"WESCO is committed to sustainability leadership and excellence across our global enterprise," said John Engel, Chairman, President and CEO. "We are the critical partner in assisting our customers and suppliers in achieving their sustainability goals through the products, services, and solutions we provide to their operations and overall supply chain," said Engel.

WESCO International discloses its Climate Change impact(s) through CDP, a global non-profit that runs the world's leading environmental disclosure platform. CDP drives companies and governments to reduce their greenhouse gas emissions, safeguard water resources and protect forests.

About WESCO

WESCO International, Inc. (NYSE: WCC) builds, connects, powers and protects the world. A publicly traded FORTUNE 500® company headquartered in Pittsburgh, Pennsylvania, WESCO is a leading provider of business-to-business distribution, logistics services and supply chain solutions. Pro forma 2020 annual sales were over \$16 billion, including Anixter International Inc., which it acquired in June 2020. WESCO offers a best-in-class product and services portfolio of Electrical and Electronic Solutions, Communications and Security Solutions, and Utility and Broadband Solutions. The Company employs nearly 18,000 people, maintains relationships with approximately 30,000 suppliers, and serves more than 125,000 customers worldwide. With nearly 1,500,000 products, end-to-end supply chain services, and leading digital capabilities, WESCO provides innovative solutions to meet customer needs across commercial and industrial businesses, contractors, government agencies, institutions, telecommunications providers, and utilities. WESCO operates approximately 800 branches, warehouses and sales offices in more than 50 countries, providing a local presence for customers and a global network to serve multi-location businesses and multi-national corporations.
