

WESCO Distribution, Inc. announces extension of Expiration Time of its offers to purchase for cash any and all of Anixter Inc.'s 5.50% Senior Notes due 2023 and 6.00% Senior Notes due 2025

May 29, 2020 12:00 PM EDT

PITTSBURGH, May 29, 2020 /[PRNewswire](#)/ -- WESCO International, Inc. (NYSE: WCC) ("WESCO International") announced today that WESCO Distribution, Inc. ("WESCO") has extended the Expiration Time (as defined below) of WESCO's previously announced tender offers (each, an "Offer" and, together, the "Offers") to purchase for cash any and all of Anixter Inc.'s ("Anixter") outstanding (i) 5.50% Senior Notes due 2023 (the "2023 Notes") and (ii) 6.00% Senior Notes due 2025 (the "2025 Notes" and, together with the 2023 Notes, the "Notes," and each such series of the Notes, a "Series").

The expiration date applicable to the Offers, previously scheduled for 11:59 p.m., New York City time, on May 28, 2020, has been extended to 11:59 p.m., New York City time, on June 15, 2020, unless extended or earlier terminated by WESCO (the "Expiration Time").

The Offers are being conducted in connection with the merger agreement, dated as of January 10, 2020 (as it may be amended from time to time, the "Merger Agreement"), pursuant to which WESCO International has agreed to acquire Anixter International Inc. ("Anixter International" and, such transaction, the "Merger"). The Offers are open to any registered holders of the Notes other than any holder that has consented and is eligible to receive the consent fee outlined in the Offer to Purchase (as defined below) (individually, a "Holder," and collectively, the "Holders").

Each Offer is conditioned upon, among other things, the substantially concurrent or prior closing of the Merger. WESCO intends to further extend the Expiration Time with respect to each Offer as necessary, without extending the Withdrawal Deadline (unless required by law), to have the payment of the consideration in respect of such Offer occur concurrently with, or promptly after, the closing of the Merger. WESCO International and Anixter International expect to complete the Merger in the second or third calendar quarter of 2020, but the Merger Agreement provides for the outside date thereunder to be automatically extended to as late as January 11, 2021 under certain circumstances and the parties could mutually agree to extend the outside date under the Merger Agreement beyond that date. **Accordingly, any Holder who tendered Notes (and did not validly withdraw such Notes prior to the Withdrawal Deadline), or who tenders Notes following the date hereof, may not receive payment of the Total Tender Offer Consideration (as set forth below) or the Tender Offer Consideration (as set forth below), as applicable, and may be unable to validly withdraw or trade its Notes, in each case for a substantial duration.**

The closing of the Merger is subject to the satisfaction or waiver of customary conditions, including the approval or clearance, or the expiration, termination or waiver of the waiting periods under various antitrust laws. Clearance under the antitrust laws of Canada remains outstanding.

Notification of the Merger was filed in Canada on February 27, 2020 and, on April 14, 2020, the

Canadian Commissioner of Competition issued a Supplementary Information Request seeking additional information with respect to the Merger and the businesses of WESCO and Anixter. Approval or clearance has previously been received under the antitrust laws of the United States, Russia, Turkey, Mexico and Chile.

The Offers are made pursuant to the Offer to Purchase and Consent Solicitation Statement, dated April 30, 2020 (the "Offer to Purchase"), which sets forth a more detailed description of the Offers.

On May 14, 2020, WESCO entered into supplemental indentures contemplated by the Offer to Purchase for each Series of Notes, and, as a result, (i) WESCO is no longer accepting consents with the tender of any Series of Notes and therefore Holders of such Series of Notes will no longer be deemed to have consented upon tendering, and (ii) Anixter is no longer accepting consents delivered pursuant to its expired consent solicitation. Such supplemental indentures will only become operative, and thereby apply to all Notes of such Series remaining outstanding, immediately prior to the consummation of the Merger.

As of 5:00 p.m., New York City time, on May 28, 2020, the following principal amounts of 2023 Notes and 2025 Notes were validly tendered and not validly withdrawn:

Only Notes that were validly tendered (and not validly withdrawn) at or prior to 5:00 p.m., New York City time, on May 13, 2020 (the "Early Tender Deadline") and accepted by WESCO for purchase will receive the applicable Total Tender Offer Consideration, which includes an Early Tender Payment (as set forth above). Notes that are validly tendered (and not validly withdrawn) after the Early

Tender Deadline and on or prior to the Expiration Time and accepted by WESCO for purchase will receive only the applicable Tender Offer Consideration.

Payment for Notes accepted by WESCO for purchase will include accrued and unpaid interest from the last payment date applicable to the Notes up to, but excluding, the settlement date for the Offers ("Accrued Interest").

The obligation to accept for purchase and to pay (or cause to be paid) the Total Tender Offer Consideration or the Tender Offer Consideration, as applicable, for any and all Notes validly tendered and not validly withdrawn pursuant to each of the Offers is conditioned on the satisfaction of certain conditions that may be waived by WESCO if they are not satisfied, as more fully described in the Offer to Purchase. WESCO reserves the right in its sole discretion, subject to applicable law, to terminate any Offer if the conditions to such Offer have become incapable of being satisfied at the Expiration Time.
