Management's Discussion and Analysis of Results of Operations and Financial Condition  
Company Overview  
Utility & Broadband Solutions, page 28

1. You discuss your operations were impacted by "unfavorable business conditions" and quantify the consolidated results for income from operations as adjusted for the Corporate segment. Please consider providing more detailed discussion of your results of operations on an operating segment basis for key drivers impacting on sales and income from operations. It appears the UBS segment was impacted by the pandemic to a greater degree than your two other operating segments for the nine months ended September 30, 2020. Refer to Item 303(b)(2) of Regulation S-K and Staff Release 33-8350.
