IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS FOR THE STOCKHOLDER MEETING TO BE HELD ON MAY 27, 2021

The 2021 Proxy Statement and 2020 Annual Report of WESCO International, Inc. (“WESCO” or the “Company”) are available to review at: www.proxydocs.com/wcc. A copy of our Form 10-K is available upon request, without charge. Any request should be directed to our Corporate Secretary at the Company’s headquarters office at 225 West Station Square Drive, Suite 700, Pittsburgh, Pennsylvania 15219-1122.

We are pleased to continue to take advantage of the Securities and Exchange Commission (the “SEC”) rule that permits companies to furnish proxy materials to stockholders over the Internet. On or about April 12, 2021, we will begin mailing proxy materials. A Notice of Internet Availability of Proxy Materials (the “Notice”) contains instructions on how to vote online or by telephone, or in the alternative, request a paper copy of the proxy materials and a proxy card. By furnishing a Notice and access to our proxy materials by the Internet, we are lowering the costs and reducing the environmental impact of our Annual Meeting. We encourage you to sign up for direct email notice of the availability of future proxy materials by submitting your email address when you vote your proxy via the Internet.

QUESTIONS AND ANSWERS

1. Why is the Annual Meeting online only? How do I attend the Annual Meeting?

Our Annual Meeting will be exclusively conducted via live audio webcast, a format designed to improve stockholder access, save WESCO and its stockholders time and money and, during the current global pandemic, ensure the safety of our participants. In addition to online attendance, our meeting format provides stockholders with the opportunity to hear all portions of the official meeting, submit written questions during the meeting, and vote online during the open poll section of the meeting.

You may attend the meeting webcast by visiting www.virtualshareholdermeeting.com/WCC2021. You will need the 12-digit control number received with your Notice Regarding the Availability of Proxy Materials. Please allow ample time for online check-in, which will begin at 1:45 p.m., E.D.T., on May 27, 2021. If a bank, brokerage firm, or other nominee holds your shares, you should contact that organization for additional information.

2. How can I ask questions during the Annual Meeting?

The virtual format allows stockholders to communicate with us in advance of, and during, the Annual Meeting so they can ask questions of our board of directors or management. During the Annual Meeting, we will answer questions submitted during the Annual Meeting and address those asked in advance, to the extent relevant to the business of the Annual Meeting, as time permits. Stockholder questions may be submitted in the field provided in the web portal at or before the time that matters are brought before the Annual Meeting for consideration.

3. What can I do if I need technical assistance during the Annual Meeting?

If you encounter any difficulties accessing the virtual meeting during the check-in or meeting time, please call the technical support number that will be posted on the virtual Shareholder Meeting log in page.

4. Who is entitled to vote at the Annual Meeting?

If you held shares of WESCO Common Stock at the close of business on April 1, 2021, you may vote at the Annual Meeting. Each share is entitled to one vote on each matter presented for consideration and action at the Annual Meeting.

In order to vote, you must either designate a proxy to vote on your behalf or attend the Annual Meeting and vote your shares online during the open poll section of the meeting. The Board of Directors requests your proxy so that your shares will count toward a quorum and be voted at the meeting.

5. What matters are scheduled to be presented?

Proposal 1—Elect nine Director nominees for a one-year term expiring at the 2022 Annual Meeting of Stockholders.

Proposal 2—Approve, on an advisory basis, the compensation of the Company’s named executive officers.

Proposal 3—Approve the WESCO International, Inc. 2021 Omnibus Incentive Plan.

Proposal 4—Ratify the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for the year ending December 31, 2021.

Action may be taken at the Annual Meeting with respect to any other business that properly comes before the meeting, and the proxy holders have the right to and will vote in accordance with their judgment on any additional business.

QUESTIONS AND ANSWERS

6. How do I cast my vote?

There are four different ways you may cast your vote. You may vote by:

- Internet, at the address provided on the Notice;
- telephone, using the toll-free number listed on the Notice;
- following the instructions on the Notice to request a paper copy of the proxy card and proxy materials and then marking, signing, dating and returning each proxy card in the postage-paid envelope provided; or
- attending the virtual Annual Meeting and voting your shares online during the open poll section of the meeting at www.virtualshareholdermeeting.com/WCC2021.

The deadline for voting by Internet or telephone is 11:59 p.m., E.D.T., on Wednesday, May 26, 2021.

7. What if I don't indicate my voting choices?

If you return your signed proxy card but do not mark the boxes showing how you wish to vote on any particular matter, your shares will be voted "FOR" the election of each of the Director nominees named in this Proxy Statement, "FOR" the approval, on an advisory basis, of the compensation of the Company's named executive officers, "FOR" the approval of the WESCO International, Inc. 2021 Omnibus Incentive Plan, and "FOR" the ratification of the appointment of PricewaterhouseCoopers LLP as our Company's independent registered public accounting firm for the year ending December 31, 2021.

8. How do I revoke or change my vote?

If you have returned a proxy via mail, telephone or Internet, you may revoke it at any time before it is voted at the Annual Meeting by:

- notifying the Corporate Secretary at the Company's headquarters office;
- sending another proxy dated later than your prior proxy either by Internet, telephone or mail; or
- attending the virtual Annual Meeting and voting online during the open poll section of the meeting.

9. What does it mean if I receive more than one Notice?

If your shares are registered differently and are in more than one account (for example, some shares may be registered directly in your name and some may be held in the Company's 401(k) Retirement Savings Plan), you may receive more than one Notice from the Company or a broker, bank or other nominee account with respect to your shares held in "street name". Please carefully follow the instructions on each Notice you receive and vote all of the proxy requests to ensure that all your shares are voted.

10. May I attend and vote my shares during the Annual Meeting?

Shares held beneficially through a broker, bank or other nominee may not be voted in person at the Annual Meeting UNLESS you obtain a "Legal Proxy". A "Legal Proxy" must be obtained from your broker, bank or other nominee that holds your shares. Without a "Legal Proxy", you will not be able to attend and vote those shares online during the Annual Meeting.

Shares registered directly in your name with our transfer agent, Computershare, may be voted online during the Annual Meeting.

11. Who will count the votes?

Representatives of Broadridge will tabulate the votes, and there will be a duly appointed inspector of election who will certify his or her examination of the list of stockholders, the number of shares held and outstanding as of the record date, and the necessary quorum for transaction of the business for this meeting. These persons will count the votes at the Annual Meeting.

12. May I elect to receive a paper copy of proxy materials in the future?

Stockholders can elect to receive future WESCO Proxy Statements and Annual Reports via paper copies in the mail.

If you are a "stockholder of record" you can choose to receive future Annual Reports and Proxy Statements via paper copy at no charge by writing to WESCO International, Inc., 225 West Station Square Drive, Suite 700, Pittsburgh, Pennsylvania, 15219-1122, Attention: Corporate Secretary. If you hold your WESCO stock in "street name" (such as through a broker, bank, or other nominee account), follow the information provided by your nominee for instructions on how to elect to receive paper copies of future Proxy Statements and Annual Reports.

If you enroll to receive paper copies of WESCO's future Annual Reports and Proxy Statements, your enrollment will remain in effect for all future stockholders' meetings unless you cancel the enrollment.

PROXY SOLICITATION AND VOTING INFORMATION

Holders of our Common Stock at the close of business on the record date of April 1, 2021 may vote at our Annual Meeting. On the record date, 50,180,007 shares of our Common Stock were outstanding. A list of stockholders entitled to vote will be available for inspection by any stockholder of record for any legally valid purpose during ordinary business hours for 10 days prior to the Annual Meeting at the Company's principal executive offices. In addition, the stockholder list will be available to any stockholder for examination online during the Annual Meeting.

The Board of Directors is soliciting your proxy to vote at our Annual Meeting of Stockholders, and at any adjournment or postponement of the meeting. In addition to soliciting proxies by mail, telephone, and the Internet, our Board of Directors, without receiving additional compensation, may solicit in person. We have engaged Innisfree M&A Incorporated, 501 Madison Avenue, 20th Floor, New York, NY 10022 to assist us in the solicitation of proxies, and we expect to pay Innisfree M&A Incorporated approximately \$20,000 for these services, plus reimbursement of their expenses. Brokerage firms and other custodians, nominees, and fiduciaries will forward proxy soliciting material to the beneficial owners of our Common Stock, held of record by them, and we will reimburse these brokerage firms, custodians, nominees and fiduciaries for reasonable out-of-pocket expenses incurred by them in doing so. The cost of this proxy solicitation will consist primarily of printing, legal fees, and postage and handling. We will pay the cost of this solicitation of proxies.

To conduct the business of the Annual Meeting, we must have a quorum. The presence, whether online or by valid proxy, of stockholders holding at least a majority of the shares of our Common Stock outstanding will constitute a quorum. Abstentions, broker non-votes and votes withheld from Director nominees count as shares present for purposes of determining a quorum.

A broker non-vote occurs when a broker, bank or other nominee holder does not vote on a particular item because the nominee holder does not have discretionary authority to vote on that item and has not received instructions from the beneficial owner of the shares. In the absence of receiving voting instructions from the beneficial owner of the shares, nominee holders may only vote on proposals that are considered routine matters. The only matter being proposed for stockholder vote at the 2021 Annual Meeting that is considered a routine matter is the proposal to ratify the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for the year ending December 31, 2021. Accordingly, without voting instructions from the beneficial owner of the shares, nominee holders will not have discretionary authority to vote the shares at the Annual Meeting on the election of Directors, or on the proposals to approve, on an advisory basis, the compensation of the Company's named executive officers and to approve the WESCO International, Inc. 2021 Omnibus Incentive Plan. Broker non-votes will not affect the outcome of any of the matters scheduled to be voted upon at the Annual Meeting and are not counted as shares voting with respect to any other matter on which the broker has not voted expressly. Proxies that are transmitted by nominee holders for beneficial owners will count toward a quorum and will be voted as instructed by the nominee holder.

The election of Directors will be determined by a plurality of the votes cast. The Board has adopted a Director resignation policy in the event a Director receives less than 50% of the votes for his or her re-election in an uncontested election. Only votes "FOR" or "WITHHELD" affect the outcome of the election of Directors. The approval of the WESCO International, Inc. 2021 Omnibus Incentive Plan, the ratification of the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for the year ending December 31, 2021, and the approval, on an advisory basis, of our executive compensation will require affirmative votes by a majority of the shares present, in person or by proxy, and entitled to vote and voting on the proposal at the Annual Meeting. Abstentions will not affect the outcome of any of the matters scheduled to be voted upon at the Annual Meeting.

2020 was an extraordinary year of transformation for WESCO. In January 2020, we signed a definitive agreement to acquire Anixter International Inc. (“Anixter”), a publicly-traded company of approximately the same size as WESCO. In the midst of an extremely challenging COVID-19 environment, we successfully completed the transaction in late June 2020. We worked to integrate the two companies during the balance of 2020 for the benefit of our stockholders, customers, suppliers, employees and the communities in which we operate.

This transformational combination doubled the Company’s size in terms of revenue and number of employees:

June 2020 – Transformational Combination with Anixter

Value Creation through industry consolidation

- Acquisition of like-sized competitor created industry leader
- Substantial revenue and cost synergies drive margin expansion
- Global footprint and customer base, a differentiator enabling above-market growth
- Diverse end markets and geographies provide stability through the cycle

Secular trends and digitization drive incremental growth

- Electrification, data networking and remote connectivity accelerate demand
- Leveraging business insights through data science enhances business value

Strong free cash flow provides optionality

- Consistent free cash flow through the cycle provides optionality
- Prioritizing debt reduction post-acquisition

As a result of the combination of WESCO and Anixter, the Company now employs nearly 18,000 people, maintains relationships with approximately 30,000 suppliers, and serves more than 125,000 customers worldwide. With nearly 1,500,000 products, end-to-end supply chain services, and extensive digital capabilities, WESCO provides innovative solutions to meet current customer needs across commercial and industrial businesses, contractors, government agencies, institutions, telecommunications providers, and utilities. WESCO’s innovative value-added solutions include supply chain management, logistics and transportation, procurement, warehousing and inventory management, as well as kitting and labeling, limited assembly of products and installation enhancement. WESCO has approximately 800 branches, warehouses and sales offices with operations in more than 50 countries, providing a local presence for customers and a global network to serve multi-location businesses and multi-national corporations.

The strategic rationale for combining the companies was compelling and is expected to drive value creation primarily through:

- Scale benefit with enhanced geographic footprint
- Broader and more diversified product and services portfolio, and more diverse end-market customers
- Delivery of substantial cost synergies and incremental revenue from cross-selling products
- Opportunities to drive efficiencies and invest in digital solutions to better partner with our suppliers and customers.

As part of the integration, the Company was organized around three strategic business units:

This remarkable combination represents a tremendous value creation opportunity, bringing together two outstanding businesses, and marks the start of a new era for WESCO.

At WESCO, we believe that we can do great things when we come together with a shared mission, vision, and values that bring out the best in us individually and collectively.

<p>Mission</p> <p>We build, connect, power and protect the world</p>	<p>Vision</p> <p>Be the best tech-enabled supply chain solutions provider in the world</p>

Corporate Governance Guidelines

We have adopted Corporate Governance Guidelines in conformity with the New York Stock Exchange (NYSE) listed company standards to provide a framework to assist members of our Board in fully understanding and effectively implementing their responsibilities while assuring our on-going commitment to high standards of corporate conduct and compliance.

We have adopted a Code of Business Ethics and Conduct and a Global Anti-Corruption Policy which apply to our Board of Directors and all of our employees and cover all areas of professional conduct, including customer relations, conflicts of interest, insider trading, financial disclosure, and compliance with applicable laws and regulations.

We also have adopted a Senior Financial Executive Code of Principles for Senior Executives, referred to as the Senior Financial Executive Code, which applies to our Chief Executive Officer, Chief Financial Officer and Corporate Controller. We disclose future amendments to, or waivers from, the Senior Financial Executive Code on the corporate governance section of our website within four business days of any amendment or waiver.

You may access our Corporate Governance Guidelines, Committee Charters, Code of Business Ethics and Conduct, Global Anti-Corruption Policy, Senior Financial Executive Code, Independence Policy, and related documents on our website at <http://wesco.investorroom.com/corporategovernance>.

Director Independence

Our Board has adopted independence standards that meet or exceed the independence standards of the NYSE, including the enhanced independence requirements for audit and compensation committee members. In addition, as part of our independence standards, our Board has adopted categorical standards to assist it in evaluating the independence of each of its Directors. The categorical standards are intended to assist our Board in determining whether or not certain direct or indirect relationships between its Directors and our Company or its subsidiaries are "material relationships" for purposes of the NYSE independence standards. The categorical standards establish thresholds at which any relationships are deemed to be material.

In February 2021, the independence of each Director was reviewed, applying applicable independence standards. The review considered relationships and transactions between each Director and his or her immediate family and affiliates and our management and our independent registered public accounting firm. Based on this review, our Board affirmatively determined that the following Directors are independent: Mr. Espe, Mr. Griffin, Mr. Morgan, Mr. Raymond, Mr. Singleton, Mr. Sundaram, Ms. Thompson and Ms. Utter.

Director Qualifications and Diversity

Our Nominating and Governance Committee reviews with the Board at least annually the qualifications of new and existing Board members, considering the level of independence of individual members, together with such other factors, including overall skills and experience. Each Director's particular and specific experience, qualifications, attributes or skills which support his or her position as a Director on our Board are identified on pages 7 to 10.

The Nominating and Governance Committee considers various factors in determining whether to recommend a candidate for nomination as a Director, including an individual's aptitude for independent analysis, level of integrity, personal and professional ethics, soundness of business judgment, relevant experience, and ability and willingness to commit sufficient time to Board activities. The Nominating and Governance Committee consults with the Board to determine the most appropriate combination of characteristics, skills and experiences for the Board as a whole with the objective of having a Board whose members have diverse backgrounds and experiences. The Nominating and Governance Committee considers candidates diverse in gender, ethnic background, geographic origin, age and professional experience and evaluates each individual in the context of the individual's potential contribution to the Board as a whole to best promote the success of the Company's business, represent stockholder interests through the exercise of sound judgment, and allow the Board to benefit from the group's diversity of background, experience and thought. The Board values inclusion and diversity, and as of April 1, 2021, 44% of our Directors were diverse in terms of gender or ethnicity. Diversity is also an emphasis in our Board recruiting efforts.

The Nominating and Governance Committee also reviews the characteristics of incumbent Board members and prospective Board members to ensure that the Board, as a whole, possesses the experience, expertise and competencies that are relevant or desirable. The Nominating and Governance Committee uses a skills matrix to assess the overall composition of the Board, including such characteristics as CEO experience, operational and strategy expertise, financial expertise, capital markets expertise, sales or marketing expertise, supply chain or industry experience, mergers and acquisitions experience, international experience, and technology and

cybersecurity experience, among others. These processes are designed to ensure a high-functioning and well-composed Board of independent and capable directors with relevant experience.

The Nominating and Governance Committee may also target prospective candidates for Board membership based on their attributes compared to current Board members to achieve a good overall Board composition. The Nominating and Governance Committee applies the same criteria to all candidates that it considers, including any candidates submitted by stockholders.

Board Refreshment, Tenure and Diversity

The Board is committed to ongoing Board refreshment. The Board considers a balanced Board in terms of overall average Director tenure, comprising newer Directors as well as those who have longer experience with the Company, to benefit the Company and its stockholders by providing fresh perspectives, experience and stability. During the past five years, the Board has recruited three new Directors as part of its refreshment process. Currently, 37.5% of our independent Directors have a tenure of five years or less. In order to develop a balanced Board, we have a robust Director recruitment process that includes utilizing the assistance of a nationally recognized recruiting firm to identify and recruit potential candidates for our Board of Directors based on attributes outlined on a skills matrix that was developed by the Nominating and Governance Committee. For each recruiting engagement, the Nominating and Governance Committee, working with the independent recruiting firm and including input from the Board, develops specifications for each director position, which are used to identify and recruit director candidates. We emphasize diversity as part of our recruiting efforts and require diverse slates of candidates for each position. The Board has four of its nine members (44%) who are diverse in terms of gender, race or ethnicity, and the Board has a goal to be 50% or more diverse. We believe that our use of an independent recruiting firm expands the pool of candidates and further improves our diversity efforts.

Board, Committee and Director Evaluations

The Board has established a robust self-evaluation process for the Board, its Committees and individual Directors. Each year, our Board and Committees conduct evaluations to assess their effectiveness and adherence to the Corporate Governance Guidelines and Committee charters, and to identify opportunities to improve Board and Committee performance. As part of that process, we also conduct individual Director evaluations at least every other year, including peer assessments. As described below, the Board engages an independent corporate governance professional to conduct interviews with each Director as part of this process.

2020 Board, Committee and Director Evaluations – A Multi-Step Process

Under the leadership of our Lead Director, Mr. Singleton, the Nominating and Governance Committee oversees our annual evaluation process focused on three components: (1) the Board, (2) Board Committees and (3) individual Directors. For the past three years, as part of its continuous improvement efforts, the Board enhanced its evaluation process by engaging an independent third party who is experienced in corporate governance matters. He interviewed each Director to obtain his or her assessment of the effectiveness of the Board and its Committees, including identifying any opportunities the Board can focus on to enhance effectiveness. In addition, the Board conducted a peer review process in 2020 in which the third party sought input regarding the performance of each individual Director, which the Lead Director provided to each Director in an individual session.

Topics considered during the 2020 Board and Committee Evaluation Process included:

Director Performance

- Individual Director performance
- Lead Director (in the role)
- Each Committee Chair (in that role)

As part of our efforts designed to ensure a continuing high-performance Board, Directors participate in continuing education on current topics and developments. We bring outside experts into the Board room to review current topics and developments in their areas of expertise, and Directors regularly attend outside education sessions on relevant topics. Education topics include corporate governance, compensation, financial matters, economic developments, emerging technology and trends, risk management, cybersecurity, diversity and inclusion, ESG matters and others.

Compensation Committee Interlocks

None of our executive officers serves as an executive officer of, or as a member of, the compensation committee of any public company that has an executive officer, director or other designee serving as a member of our Board. No member of our Compensation Committee has been an executive officer of the Company.

Executive Sessions and Lead Director Responsibility

During 2020, the non-management members of our Board met in executive session at each regularly scheduled Board of Directors' meeting. Our Directors generally hold executive sessions at both the beginning and end of each Board meeting. As Lead Director, Mr. Singleton presided over these executive sessions. In addition, Mr. Singleton has broad authority to call and conduct meetings of the independent Directors. The duties and responsibilities of our Lead Director are described in more detail in the section below.

Board Leadership Structure

Since 2011, Mr. Engel has served as Chairman of the Board. The Board believes that Mr. Engel's combined role of Chairman and Chief Executive Officer is in the best interests of the Company and its stockholders at this time, and that Mr. Engel is the Director best situated to serve as Chairman because of his detailed and in-depth knowledge of the issues, opportunities and challenges facing the Company, his familiarity with the Company's business and industry, and his ability to identify strategic priorities essential to the future success of the Company. The Board believes that the structure is best for the Company at this time because it provides for clear leadership responsibility and accountability, while providing for effective corporate governance and oversight by an independent Board of strong and seasoned Directors with an independent Lead Director. Mr. Singleton serves as the Board's independent Lead Director and presides over executive sessions of the Board. The non-management members of our Board meet in executive session at each regularly scheduled Board meeting. The Audit, Compensation, and Nominating and Governance Committees are all chaired by and comprised solely of independent Directors in accordance with independence standards of the NYSE, and thus oversight of key matters is entrusted to the independent Directors. Each of these Committees also meets in executive session without members of management present. The responsibilities of the Lead Director include the following:

- Presides at all meetings of the Board at which the Chairman is not present, including meetings of independent Directors held in Executive Session;
- Has the authority to call meetings of the independent Directors;
- Leads the Board evaluation program;
- Evaluates, along with the members of the Compensation Committee and the full Board, the CEO's performance, and meets with the CEO to discuss the Board's evaluation;
- Serves as a liaison between the Chairman/CEO and the independent Directors;
- Consults with the Chairman/CEO on and approves agendas and schedules for Board meetings to ensure there is sufficient time for discussion of agenda items;
- Advises the Chairman/CEO on the Board's informational requirements and approves information sent to the Board, as appropriate;
- Consults with the Chair of the Nominating and Governance Committee and the Chairman regarding recommended appointments of Committee members, including Committee chairs; and
- Facilitates communication between the Board and senior management.

The Lead Director assures that appropriate independence is brought to bear on important Board and governance matters. In addition, there is strong leadership vested in and exercised by the independent Committee chairs, and each Director may request inclusion of specific items on the agendas for Board and Committee meetings.

Considering all of the above, the Board believes that a combined Chairman and Chief Executive Officer, together with the Lead Director, is an appropriate Board leadership structure and is in the best interests of the Company and its stockholders at this time.

Director Resignation Policy

The Board has adopted a resignation policy under which any Director who does not receive a majority of votes cast for his or her re-election is expected to offer his or her resignation for the Board's consideration.

Stockholder Engagement

We seek to engage with current and prospective investors throughout the year in order to review our financial performance, business model and strategic initiatives, so that management and the Board can better understand stockholder perspectives. We also utilize these discussions to assess emerging issues that may help shape our practices and enhance our corporate disclosures, including in the areas of environmental, social and governance (ESG) issues, executive compensation and capital deployment strategies. We strive for a collaborative approach with our stockholders and value the variety of perspectives that we hear in our discussions with them.

Board's Role in Oversight of Risk Management

Management is responsible for risk management, and the Board's role is to oversee management's efforts in this area. As part of their regular meetings and deliberations, the Board and its Committees review and discuss matters of significance regarding operational, financial and other risks that are relevant to the Company's business. Strategic risks and operating risks are monitored by the Board through discussions regarding the Company's strategic and operating plans and regular reviews of the Company's operating performance. In addition, management assesses the Company's enterprise risk and reviews with the entire Board significant risks and associated mitigating factors on an annual basis.

Our board has tasked designated standing committees with oversight of certain categories of risk management. The risk oversight focus areas of the committees are:

The Audit Committee (comprised 100% of independent members) of the Board discusses and reviews guidelines and policies with respect to risk assessment and risk management and discusses with management the Company's major financial risk exposures and the steps management takes to monitor and control such exposures, and the Audit Committee is also responsible for oversight of cybersecurity risk. The Compensation Committee (comprised 100% of independent members) of the Board reviews the potential for risk related to the Company's compensation arrangements, including compensation arrangements and policies for executives, and determines whether any such arrangements are likely to encourage excessive or inappropriate risk taking. The Nominating and Governance Committee, which is comprised of 100% independent directors, is responsible for oversight of significant environmental, social and governance ("ESG") matters that are relevant to the Company.

To more effectively prevent, detect and respond to information security threats, the Company has a dedicated Chief Information Security Officer whose team is responsible for leading enterprise-wide information security strategy, policy, standards, architecture and processes. As part of its oversight of cybersecurity risk, the Audit Committee meets at least quarterly with the Company's Chief Information Security Officer, the Chief Information and Digital Officer, and other senior leaders to receive updates on cybersecurity risks and threats, the status of initiatives to strengthen the Company's information security systems and management's assessments of the Company's security program. The Board and its committees request and receive regular reports from management on cybersecurity topics. The Company has developed and conducts mandatory information security training programs for all employees and maintains cyber liability insurance policies.

Environmental, Social and Governance Matters

The Board is committed to supporting the Company's efforts to conduct its business in a principled, transparent, and accountable manner. The Board believes that its effective oversight of ESG matters is central to its risk oversight function. The Nominating and Governance Committee is responsible for oversight of significant ESG matters. In 2020, the Company continued to focus on enhancing its ESG program across the combined company.

Commitment to Environmental Sustainability. WESCO has published a comprehensive Global Reporting Initiative Sustainability Report every other year, and Anixter had published annual reports based on the United Nations Global Compact. As part of the integration with Anixter, WESCO is in the process of harmonizing the companies' approach to ESG reporting. WESCO's most recent report may be accessed on our website, www.wesco.com/Responsibility, under Sustainability, and Anixter's may be accessed at www.anixter.com/ResponsibilityReport. The approach that each company has taken has many similarities, with emphasis on matters relating to human rights, labor, health, safety, security and sustainability, among others. We expect to publish our first

consolidated sustainability report in 2021, based on the GRI framework, with cross-references to relevant Sustainability Accounting Standards Board (SASB) principles.

United Nations Sustainable Development Goals

* Note: Of the UN's 17 sustainable development goals, the five goals outlined above are where WESCO has the most impact.

Our commitment to sustainability includes supporting the 10 principles of the United Nations Global Compact, which we joined in 2017.

Commitment to Inclusion and Diversity. We strongly believe that our people and our high-performance culture are our greatest assets. The merger of WESCO and Anixter nearly doubled our pro forma revenue, and significantly increased our employee headcount and global footprint, including the number of countries in which we operate. We are committed to continuously improving and leveraging our diverse and talented workforce in pursuing the Company's vision to be the best tech-enabled supply chain solutions provider in the world. We take great pride in our diverse and talented workforce and are committed to becoming the employer of choice for diverse talent in our industry. Our Compensation Committee and Board are updated routinely by management on our diversity and inclusion programs and engage in regular discussions on matters such as workplace culture, talent development, inclusion and diversity, and workforce risk.

We recruit, hire, train and promote people in all positions and work to ensure that all personnel actions are administered without regard to an employee's race, color, religion, ethnicity, gender or sexual orientation. We continually seek to recruit diverse candidates and increase our representation of women and ethnic minorities, particularly in middle and senior management roles.

The goals of WESCO's Inclusion and Diversity program are to:

- leverage the unique experiences and perspectives of our talented workforce to support WESCO's mission,
- further engage employees and build an inclusive culture,
- recruit and develop talent that bring new perspectives and thought processes to WESCO,

Corporate Governance

- increase representation of suppliers that are owned and operated by teams with diverse backgrounds, and
- support the communities in which we operate.

WESCO has established an Inclusion & Diversity Council comprised of members of our senior management to lead the formation of four Business Resource Groups (“BRGs”) that will support four identity groups – women, BIPOC (Black, Indigenous, and People of Color), LGBTQ+, and veterans of the armed forces. These BRGs foster a sense of community and inclusion, provide opportunities to network, support advancement opportunities within the organization, and assist with recruiting. The BRGs are global and open to all employees regardless of any aspect of their personal identity.

This year, the Company is seeking that the stockholders approve the compensation of the Company's named executive officers (commonly referred to as "say-on-pay") as described in the "Compensation Discussion and Analysis" section, the tabular disclosure regarding named executive officer compensation and the narrative description accompanying such disclosure. As approved by our stockholders at the annual meeting of stockholders in 2017 regarding the frequency of the advisory vote, and consistent with the Board's recommendation, we are submitting this proposal on an annual basis. This vote is advisory only, meaning it is non-binding on the Company; however, the Board and Compensation Committee will review and carefully consider the results when evaluating future compensation decisions.

OUR BOARD UNANIMOUSLY RECOMMENDS A VOTE "FOR" APPROVAL OF THE COMPENSATION OF THE COMPANY'S NAMED EXECUTIVE OFFICERS.

The Board endorses the Company's executive compensation program and recommends that the stockholders vote in favor of the following resolution:

RESOLVED, that the stockholders approve the compensation of the Company's named executive officers as disclosed pursuant to Item 402 of SEC Regulation S-K, including as described under the "Compensation Discussion and Analysis" section, as well as the accompanying compensation tables and the related narrative disclosure, in the Company's 2021 Proxy Statement.

COMPENSATION DISCUSSION AND ANALYSIS

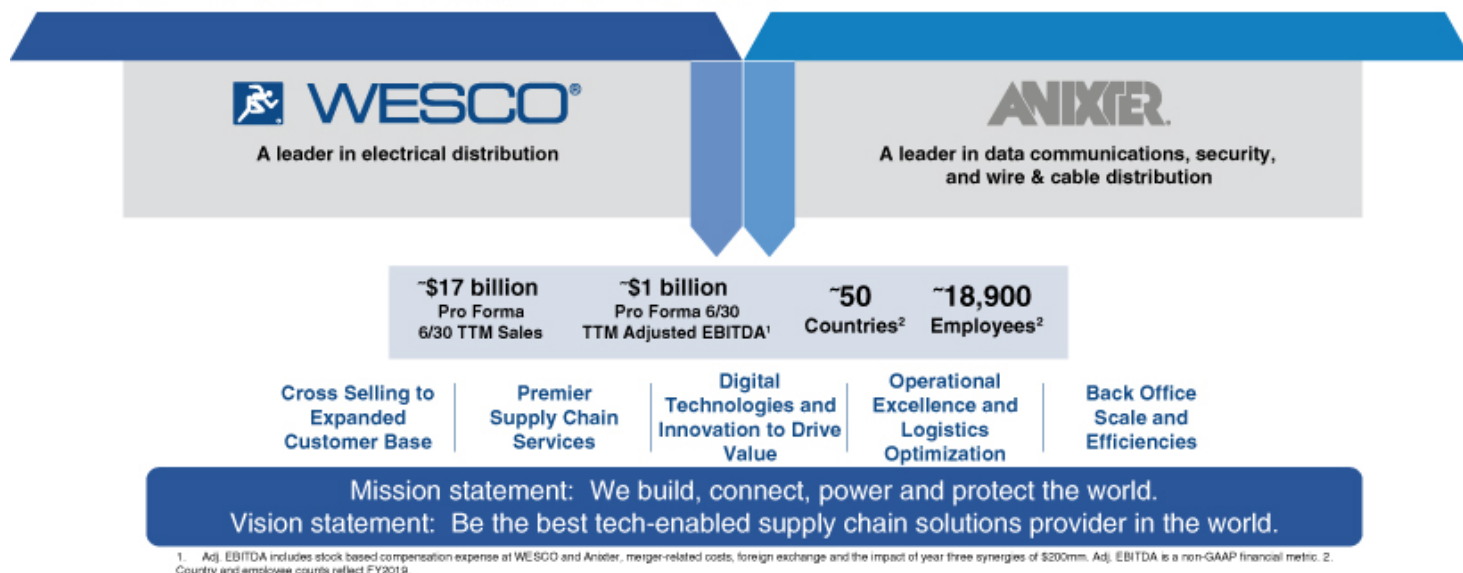

This Compensation Discussion and Analysis section discusses the Company's compensation philosophy, policies and arrangements for the 2020 year that are applicable to our Named Executive Officers ("NEOs"):

John J. Engel	Chairman, President and Chief Executive Officer
David S. Schulz	Executive Vice President and Chief Financial Officer
Diane E. Lazzaris	Executive Vice President, General Counsel and Corporate Secretary
Nelson J. Squires III	Executive Vice President and General Manager, Electrical and Electronics Solutions (EES)
Theodore A. Dosch	Executive Vice President, Strategy and Chief Transformation Officer

EXECUTIVE SUMMARY

2020 was a transformational year for WESCO. In January 2020, we signed a definitive agreement to acquire Anixter, which was a publicly-traded company approximately the same size as WESCO, and we successfully completed the transaction in June 2020. This transformational combination doubled the company's size in terms of revenue and number of employees:

Transformational Combination Creates Leader in Electrical, Communications, and Utility Distribution and Supply Chain Solutions

The transaction was completed in the midst of the extremely challenging COVID-19 pandemic, including financing the transaction, obtaining regulatory approvals, and integrating the two equally-sized businesses. Due to the COVID-19 pandemic, our executive officers and Board took decisive cost control actions, including a 25% reduction in the base salaries of our executive officers (including Messrs. Engel, Schulz and Squires and Ms. Lazzaris) and the Board's cash compensation from May 1 to September 30, 2020. During the year, WESCO's stock price experienced significant volatility, starting 2020 at \$59.39 per share, declining to a 52-week low of \$13.52 per share on March 18, and ending 2020 at \$78.50, a 32% increase for the year. As of April 1, 2021, the closing price was \$87.04 per share.

As part of the integration, the company formed three strategic business units. With the objective of creating a world class company, the executive and senior management teams for the Company and each of the strategic business units were selected using a robust evaluation and interview process, with the assistance of a global human resources consulting firm. As a result, some of the key personnel are from legacy WESCO, some from legacy Anixter, and some are external new hires. As part of this process, the Committee solicited the input of its independent compensation consultant, Meridian Compensation Partners, LLC, regarding compensation structure and the development of a new peer group considering the significantly increased size and scope of the combined business.

Key elements of our executive compensation program include the following:

ELEMENT	DESCRIPTION
Stockholder Support	We received the support of over 93% of stockholder votes in favor of our say-on-pay proposal in 2020. The overall structure of our compensation program, which was based on significant stockholder engagement, has remained consistent.
Straightforward Program	Our program is straightforward and comprises three elements: (1) Base Salary; (2) Short-Term Incentive Program (STIP); and (3) Long-Term Incentive Program (LTIP).
Pay for Performance	Our performance metrics are linked to our strategy and demonstrate our pay for performance philosophy that aligns compensation with performance.
Balanced Mix of Incentives	We have a balanced mix of short- and long-term incentives, using a blend of performance metrics.
Challenging Incentive Award Goals	We set challenging short- and long-term incentive award goals.
Reasonable Compensation Levels	Total compensation is targeted at the median of our peer group, and the levels of compensation are reasonable.
Limited Perquisites	We have limited use of perquisites.
No Tax Gross-Ups on Executive-Only Perquisites	We do not provide tax gross-ups on executive-only perquisites.
Independent Committee and Consultant	Our Compensation Committee is 100% independent and utilizes an independent compensation consultant.
Stock Ownership Guidelines	We have robust stock ownership guidelines for our NEOs.
No Hedging or Pledging	NEOs are prohibited from hedging or pledging our stock.
Clawback Policy	We have a clawback policy that applies to financial restatement and also events of misconduct.

Pay for Performance

Our compensation program uses the following performance metrics:

Performance Metrics	Why It's Included	How It's Used
Short-Term Incentive Program (STIP)	Earnings Before Interest Taxes Depreciation and Amortization (EBITDA)	Based on the annual operating plan reviewed and approved by the Board each December, these metrics are used for STIP targets in the following year.
	Free Cash Flow	
Long-Term Incentive Program (LTIP)	Net Income Growth / EPS Growth	These metrics are measured over a three-year period and represent an appropriate mix of a growth metric and a return metric, both of which are relevant to our business and strategy. We believe that the combination of earnings growth and effective asset management drives value for a distribution business.
	Return on Net Assets (RONA) Growth	

2020 Performance Highlights

SAY-ON-PAY – STOCKHOLDER ENGAGEMENT AND BOARD RESPONSIVENESS

In 2020, the Company's advisory vote on executive compensation received the approval of over 93% of the shares voted. The Compensation Committee considered these results and, based on our strategic objectives, the close alignment of the compensation program with stockholder interests and the strong support of stockholders, determined not to make any significant changes to our overall compensation structure, other than the 25% temporary salary reductions from May 1 to September 30 relating to the pandemic. Accordingly, the Compensation Committee decided to follow the same fundamental policies and procedures described above in setting compensation for 2020.

Compensation Philosophy, Approach and Pay Elements

We have a straightforward and transparent compensation program that is linked to our strategy and the drivers of long-term stockholder value. It is based on our pay-for-performance methodology and we use operating performance metrics that are important to our business. To be successful, we need to attract and retain executives and employees who are talented and motivated to grow long-term stockholder value.

There are three central elements to our executive total compensation:

- (1) base salary – cash-based;
- (2) short-term incentives – cash-based, and based on the annual operating plan approved by the Board; and
- (3) long-term incentives – stock-based, and based on three-year performance periods, linked to growth and return metrics and whose value depends on the increase in the company's stock price over the long term, thus further aligning the executive's interests with stockholders' interests.

Structuring a balanced, fair and properly-crafted compensation program for our executive leaders is essential to promote our high-performance culture and contribute to our success. Our compensation philosophy begins with the recognition that our success depends on the talent of our people. To encourage high level performance of our leaders we have constructed a compensation plan that rewards the behavior of our executives in pursuit of the following three broad goals.

The first of our philosophical tenets is to attract and retain an excellent management team, because a high performing team is critical to our success as a company. Developing and strengthening our corporate relationships with our customers and suppliers over the long-term enables our business to grow profitably. Also important is the consistency of leadership in support of our corporate mission and sustaining our high-performance culture.

The second philosophical goal of our compensation planning is to enable WESCO to recruit strong leaders as we grow our business and expand our product and service offerings. We were able to recruit our NEOs because of our culture and compensation packages that aligned their performance with our strategy of creating value. Our approach in aligning our compensation plans to our strategy has been an important reason for our recruiting successes.

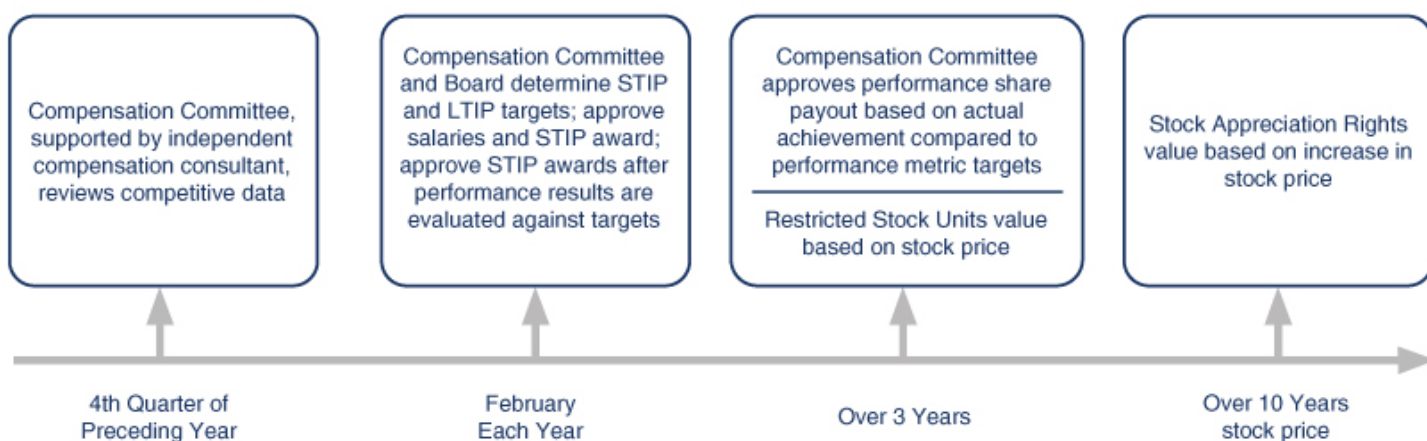

Finally, the third goal of our compensation plan is to reward our executives fairly and provide proper and balanced incentives for long-term value creation. Essentially, we want to provide a level of annual base compensation that is fair. When our executives perform at a level of high achievement, we reward them with attractive but capped annual cash bonus awards. In years when performance measures are not met, they may receive little or no bonus. In terms of long-term incentives, we believe that the opportunity to participate in the growth in value of our share price links pay to performance. We provide equity incentives to align management's interests with those of stockholders, and we maintain robust stock ownership guidelines to instill that mindset.

Based on our objectives, we believe it is appropriate that we target our three compensation elements at the median of the peer group. The Company's target total cash compensation and long-term incentives for the NEOs have been generally at or below the median of the peer group.

We assess the effectiveness of our compensation programs regularly and use the services of an internationally recognized independent compensation consultant, Meridian Compensation Partners, LLC ("Meridian"), which provides us with research information and data. Meridian serves as a resource to our Committee, providing information on new developments, best practices and trends in compensation. However, the Committee makes its own decisions, uses its own judgment and comes to its own conclusions relating to plan design and compensation. All of our Committee members are independent, as defined by applicable regulations.

Pay Element	Purpose
Base Salary	Fixed level of competitive base pay to attract and retain executive talent
Short-term Incentive Plan (STIP)	Recognize annual performance achievements based on financial and operating performance of the Company with metric target based on the Company's annual Board approved operating plan. Payouts are capped at 2x target.
Long-Term Incentive Plan (LTIP)	Reward creation of long-term stockholder value. Each equity component serves a purpose, is objectively measured, and aligns with stockholder interest. <ul style="list-style-type: none"> • Performance shares have a 3-year performance term. • Stock appreciation rights have 10-year term. • Restricted stock units vest ratably over three years starting with grants made after June 2020.
Benefits	Competitive retirement and saving plan benefits to encourage retention and support long-term employment.

Governance / Timing

COMPENSATION SETTING PROCESS

Our Board has delegated to the Committee, composed entirely of individuals who are independent Directors under the independence standards of the NYSE and SEC, including the enhanced independence requirements for compensation committee members, the responsibility of administering executive compensation and benefit programs, policies and practices. The Committee may also delegate certain matters to a subcommittee in its discretion. The performance of the management team is reviewed relative to performance measures, and compensation levels for our NEOs are reviewed and approved on an annual basis.

Our compensation setting process for NEOs consists of the following steps:

- Consider the Company's financial performance;
- Review external market data;
- Consider stockholder feedback on say-on-pay and compensation topics;
- Confirm the reasonableness of total compensation awards as well as the reasonableness of each component of compensation when compared to peer companies;
- Assess overall Company performance in relation to our objectives, competition and industry circumstances;
- Assess individual performance, changes in duties and responsibilities, and strategic and operational accomplishments;
- Adjust base salaries, as appropriate, based on job performance, leadership, tenure, experience, and other factors, including market data relative to our peer companies;
- Evaluate and determine annual and long-term incentive award opportunities for each NEO;
- Make awards under our long-term incentive plan that reflect recent performance and an assessment of the future impact each NEO can have on the long-term success of the Company;
- Review the metrics and goals of the annual incentive plan as well as the performance share plan; and
- Apply consistent practices from year to year for annual cash incentive award payments based on an evaluation of pre-established operating and financial performance factors.

As previously noted, the Committee also engages an independent compensation consultant to assist in reviewing the Company's compensation practices, to provide market comparison information, and to make recommendations.

USE OF COMPENSATION CONSULTANTS

To assist in the compensation setting process, the Committee engages Meridian, an independent, internationally recognized executive compensation consultancy firm, to provide information and advice regarding compensation and benefit levels and incentive plan designs. Meridian is engaged by, and reports directly to, the Committee, which has the sole authority to hire or fire Meridian and to approve fee arrangements for work performed. The Committee has authorized Meridian to interact with management on behalf of the Committee, as needed in connection with advising the Committee. The Committee has assessed the independence of Meridian pursuant to SEC and NYSE rules and concluded that Meridian's work for the Committee does not raise any conflict of interest.

In particular, the Committee retains Meridian to prepare compensation plan reviews, identify general trends and practices in executive compensation programs, assist in selecting the appropriate peer group, prepare a market analysis of target total compensation for the NEOs based on comparable and similarly-sized (by revenue) companies, and furnish its input regarding the compensation and incentives of the Chief Executive Officer and other executives. In addition, the Committee has sought the recommendation of the Chief Executive Officer regarding the other NEOs relative to compensation adjustments and individual performance objectives he believes would be appropriate to achieve the Company's strategic and operational goals. Our Committee meets in person or telephonically at least five times each year, and our Committee's Chairman meets with management and our independent compensation consultant more regularly throughout the course of the year. The working relationship between the Committee and management is constructive and independent. Our Committee reports to the entire Board of Directors at every Board meeting on its activities, the research commissioned from our compensation consultant and on the Committee's specific compensation deliberations and decisions that directly affect our executive leadership team.

COMPENSATION PEER GROUP

For our compensation philosophy and approach to work properly, the Committee must assess the effectiveness of our compensation programs regularly, using a variety of external and internal resources. The Committee reviews analyses of compensation paid by companies in our peer group through the use of marketplace compensation profiles prepared by Meridian, the Committee's independent compensation consultant. The compensation peer group that we used in 2020 was constructed using the following selection of criteria: business similarities and relevant industries, including distribution, logistics, transportation, companies with diffuse operations and/or general industry, and revenue size. In conjunction with Meridian, the Committee reviews the composition of our peer group at least annually.

Because of the merger with Anixter that doubled the size of the Company, the Committee engaged our independent compensation consultant to determine a new peer group. The peer group comprises 29 companies, with median revenue comparable to WESCO based on the pro forma revenue of the combined organization. It is not feasible or appropriate to construct a peer group of only distributor competitors, as many of our competitors are smaller and/or privately-held companies, in the case of local competitors, or larger non-U.S. based companies, in the case of global competitors. We believe that revenue size is an important component, since the scope and scale of a key management role depends on revenue size of the organization. The compensation consultant selected companies, using data available in the Equilar database, and excluded companies demonstrably variant to WESCO (e.g., agriculture, financial services, healthcare, etc.). Companies with similar characteristics (e.g., operating margins, moderate capital intensity, and mid-level/comparable stock price volatility) were included.

We chose a large number of similarly sized companies because we believe that they are representative of the companies against whom we compete to recruit and retain talent. This approach has proven successful, as the last executive officers that we hired came from large corporations that were not direct competitors of ours and not in the distribution industry. We also believe that a large pool of comparable companies is better than choosing a smaller group to ensure a proper sample size for comparison purposes. When we engage professional search firms to assist us in identifying senior executive talent, they recruit from a set of corporations even larger than our peer group.

The compensation peer group beginning in June 2020 was comprised of the following companies:

* Denotes companies newly added to the 2020 Compensation Peer Group. The following companies were removed from the 2020 Compensation Peer Group: Air Products and Chemicals, Inc., Asbury Automotive Group, Inc., AutoNation, Inc., AutoZone, Inc., Dover Corporation, EchoStar Corporation, EMCOR Group, Inc., Fortune Brands Home & Security Inc., GMS Inc., Harsco Corporation, HNI Corporation, Jacobs Engineering Group Inc., Lennox International Inc., Masco Corporation, MRC Global Inc., MSC Industrial Direct Co., Inc., Plexus Corp., Ryder System, Inc., Sanmina Corporation, SPX Corp., Steelcase, Inc., The Andersons, Inc. and Vulcan Materials Company.

The Committee reviews compensation practices among these companies to provide the Committee with relevant data in setting appropriate compensation levels for its NEOs. This market analysis, which is conducted by Meridian, makes it possible to evaluate and assess compensation for numerous executive positions that are not included in proxy statements or other public filings. To adjust for a variation in size among our Company and the companies in the peer group and to get comparable data for its analysis, Meridian uses regression analysis to adjust market values for differences in company size, based on annual revenues.

ELEMENTS OF COMPENSATION

Base Salaries

Base salaries are intended to provide our NEOs with a level of competitive cash compensation that is critical for retention and appropriate given their positions, responsibilities and accomplishments with the Company. Salaries for NEOs are reviewed annually. The Committee reviews detailed individual salary history for the NEOs and compares their base salaries to salaries for comparable positions at companies within our peer group. From time to time, the Committee adjusts base salaries for executive officers to reflect performance, changes in job scope, and market practices among the peer group generally based on the 50th percentile of base salaries for comparable positions.

In 2020, the Committee performed its annual assessment of base salaries in February (other than for Mr. Dosch, who joined the Company in June 2020), prior to the environment changing significantly due to the global pandemic and prior to completion of the Anixter acquisition. Because of the pandemic, however, planned base salary changes were put on hold and instead the Board instituted a 25% base salary reduction for those NEOs, commencing May 1 until September 30. Concurrent with completion of the Anixter transaction in late June 2020, the Committee reviewed compensation market data, based on analysis prepared by the independent compensation consultant, using the new peer group (as described on page 34). The Committee determined a new base salary for the following NEOs based on that analysis (in lieu of the amounts it had determined as part of its normal annual review in February), but it delayed the implementation of that change until after the 25% COVID-19 salary reductions had been lifted:

NEO	Annual Base Salary Beginning of 2020 ⁽¹⁾	Annual Base Salary Effective October 1, 2020
Engel	\$1,040,000	\$1,100,000
Schulz	\$600,000	\$650,000
Lazzaris	\$485,000	\$510,000
Squires	\$550,000	\$600,000

(1) The amount of this annual base salary for Messrs. Engel, Schulz and Squires and Ms. Lazzaris was reduced by 25% due to COVID-19 related cost savings during the period from May 1 to September 30.

Mr. Dosch's base salary upon joining the Company on June 22, 2020 was \$625,000, which was reviewed by the Committee based on analysis prepared by the independent compensation consultant using the Company's new peer group.

In determining adjustments to base salaries, the Committee considers prevailing economic conditions, base salaries of recent additions to management, performance assessments, changes in duties and responsibilities, Company performance, comparable salary practices of companies within our peer group, the recommendation of Mr. Engel (in the case of the other NEOs), and any other factors the Committee deems relevant.

Short-Term Incentives

Our practice is to award cash incentive bonuses for achievement of performance measures linked to our strategy. Target short-term incentives are designed to provide compensation opportunities generally approximating the 50th percentile of the peer group and are reviewed on an annual basis.

Annually, the Company's performance criteria and financial and operational targets are reviewed and approved by the Committee for the upcoming year. For purposes of the 2020 annual incentive programs, the performance measures for our NEOs (other than Mr. Dosch, who joined the Company from Anixter in June 2020) consist of the achievement of a combination of the following metrics: Earnings Before Interest Taxes Depreciation and Amortization (EBITDA) and Free Cash Flow.

We believe that EBITDA is an appropriate performance measure because it relates directly to the Company's sales growth (including organic sales growth), operating margin performance (including gross margin and cost management) and profitability. We believe that Free Cash Flow is an appropriate performance measure because it relates directly to the company's operating performance, including the management of working capital. We believe that the combination of earnings growth and effective asset management drives value for a distribution business.

Performance Measure	Weighting	Percent Achievement	Payout Percent of Target Opportunity ⁽¹⁾
Earnings Before Interest Taxes Depreciation and Amortization	75%	< 80% 80% to 100% >100% to 120%	0% 25% up to 100% Between 100% and 200%
Free Cash Flow	25%	< 80% 80% to 100% >100% to 120%	0% 25% up to 100% Between 100% and 200%
Total (as a percent of Target Opportunity)	100%		0% to 200%

(1) Amounts interpolated, as appropriate.

For 2020, the performance goals (at threshold, target and maximum levels) and the actual achievement of each of the financial components is included in the chart below:

Performance Measure	Performance Goals			
	Threshold	Target	Maximum	Actual Results
Earnings Before Interest Taxes Depreciation and Amortization (EBITDA)	\$ 349,920	\$ 437,400	\$ 524,880	\$ 369,256 ⁽¹⁾
Payment as % of Target	25%	100%	200%	41.6%
Free Cash Flow	\$ 173,600	\$ 217,000	\$ 260,400	\$ 250,030 ⁽²⁾
Payment as % of Target	25%	100%	200%	176.1%

(1) EBITDA is Income from Operations, less Depreciation and Amortization, based on the EBITDA of the legacy WESCO business for 2020 the full year, excluding the effects of the Anixter merger.

(2) Free Cash Flow is based on the Free Cash from Operations, less Capital Expenditures, Flow of the legacy WESCO business for 2020, excluding the effects of the Anixter merger.

Each December, the Board reviews the Company's annual operating plan, including these measures. Targets for the coming year's Short-Term Incentives are consistent with the Board-approved annual operating plan, based on achievement levels as set forth in the table above. Additionally, the annual operating plan forms the basis of expectations that are provided to stockholders, in the form of sales and profitability expectations, as well as Free Cash Flow generation. Thus, management's Short-Term Incentive Plan is aligned with stockholder interests and expectations communicated to stockholders. After review, the Committee determined not to adjust or reset the performance goals for 2020, despite the negative and unexpected impact of the COVID-19 pandemic on the Company's business performance.

With respect to the NEOs other than himself, the Chief Executive Officer makes recommendations to the Committee for the Committee's consideration. The Committee's review of the Chief Executive Officer's bonus is conducted with only independent Directors, with the assistance of the independent compensation consultant, present.

Each NEO's 2020 short-term incentive was calculated as follows based on the performance metrics and actual achievement levels described above:

NEO	2020 Salary ⁽¹⁾	Target Incentive %	Target Incentive \$	Component	Component Weighting	Payout	
Engel	\$1,071,560	143%	\$1,533,396	EBITDA	75%	Below target EBITDA (41.6%)	\$ 478,420

				Free Cash Flow	25%	Above target FCF (176.1%)	250,687
				Total			\$ 428,346
Lazzaris	\$ 498,150	73%	\$ 362,118	EBITDA	75%	Below target EBITDA (41.6%)	\$ 112,981

				Total			\$ 272,403
Squires	\$ 576,300	85%	\$ 492,600	EBITDA	75%	Below target EBITDA (41.6%)	\$ 153,691
				Free Cash Flow	25%	Above target FCF (176.1%)	216,867

Dosch ⁽²⁾	\$ 654,423	97%	\$ 632,110	Operating Profit – Anixter	38%	Below target Op Profit (80.0%)	\$ 192,161
				ROTC – Anixter	37%	Above target ROTC (132.0%)	308,723
				Personal	25%	Above target Personal (116.0%)	183,312
				Total			\$ 684,196

(1) The prorated salaries used for purposes of calculating short-term incentives exclude the temporary salary reductions for May through September 2020, and reflects salary increases effective June 22, 2020.

(2) Mr. Dosch joined the Company on June 22, 2020 upon consummation of the Anixter transaction. Consistent with legacy Anixter's past practice, Mr. Dosch's annual cash incentive award for 2020 was based on achievement of the following performance goals (with the relative weightings): (i) worldwide operating profit of the legacy Anixter business for 2020, excluding the effects of the merger (38%), (ii) worldwide rate of return on tangible capital of the legacy Anixter business for 2020, excluding the effects of the merger (37%), and (iii) the achievement of certain personal objectives (25%). The actual percentage of the target incentive paid to Mr. Dosch in 2020 with respect to each of the above components are as follows: 80% for worldwide operating profit; 132% for worldwide rate of return on tangible capital; and 116% for personal objectives. All amounts are based on the legacy Anixter business, not including the legacy WESCO business. Mr. Dosch will participate in WESCO's standard annual incentive plan commencing in 2021.

Long-Term Incentives

The purpose of long-term incentives is to carefully align compensation with stockholder value creation, and thus long-term incentives comprise the centerpiece of executive compensation and a significant majority of our NEOs total compensation opportunity.

Structure of Long-Term Incentives

Based on feedback from investors as part of our prior say-on-pay outreach, we increased the weighting of performance shares commencing in 2019 from 30% to 50%. Our Long-Term Incentives for our NEOs are structured as follows:

Long-Term Incentives	Weighting
Performance Shares	50%
Stock Appreciation Rights	25%
Restricted Stock Units	25%

Performance Shares

Our performance shares are designed to reward our NEOs for drivers of long-term value that are tied to our strategy and increased stockholder value over the long-term. We use three-year performance periods for each grant, and performance shares for the three-year period 2018-2020 were based on two equally weighted performance metrics: (1) Earnings Per Share (EPS) Growth; and (2) Return on Net Assets (RONA) Growth.

The EPS Growth rate is equal to the three-year average growth rate of the Company's fully diluted earnings per share, excluding specific items that are not indicative of ongoing results. We believe that EPS Growth is related directly to our strategy to drive profitable revenue and earnings growth and that enduring stock price performance reflects the effective execution of a long-term strategic plan. This performance metric encompasses sales growth, margin improvement and cost control, which are important operational aspects of our business and strategy. RONA Growth measures the three-year cumulative return on net assets growth versus the base year. We believe that RONA Growth is an appropriate and important measure of performance for a distributor like us, since it focuses on improving profitability and the efficient use of operating assets (working capital, property, buildings and equipment) to create value for our stockholders. Performance share awards vest in the form of a number of shares of the Company's common stock. The number of performance shares actually earned, if any, depends on the attainment of certain levels (threshold, target, maximum) of the performance measures and may range from one-half the target amount of performance shares (at the threshold performance level) up to two times the target amount of performance shares (at the maximum performance level). In the event of a change in control (as defined in the Company's Long-Term Incentive Plan), the performance shares vest at the target level.

Consistent with our pay-for performance philosophy, the threshold, target and maximum performance goals for the performance shares awarded in 2018 for the three-year performance period ended December 31, 2020 (the "2018 Performance Shares") and the actual achievement and payout levels are as shown below:

Performance Measure	Performance Goals			Actual Results
	Threshold	Target	Maximum	Actual Payout
EPS Growth (3-year average growth rate)	0%	5%	10%	5.7%
Payment as % of Target	0.5 x	1.0 x	2.0 x	1.13x
RONA Growth (3-year cumulative RONA versus the base year, in basis points (bps))	0 bps	50 bps	100 bps	(163 bps)
Payment as % of Target	0.5 x	1.0 x	2.0 x	0

Based on the actual results and performance goals above, the shares earned by the NEOs are calculated as follows:

NEO	Target Award of 2018 Performance Shares ⁽¹⁾	Component	Component Weighting	Payout	
Engel	21,974	EPS Growth	50%	Above target (1.13)	12,415
		RONA Growth	50%	Below threshold (0)	—
		Total			12,415
Schulz	6,688	EPS Growth	50%	Above target (1.13)	3,779
		RONA Growth	50%	Below threshold (0)	—
		Total			3,779
Lazzaris	3,106	EPA Growth	50%	Above target (1.13)	1,755
		RONA Growth	50%	Below threshold (0)	—
		Total			1,755
Squires	2,866	EPA Growth	50%	Above target (1.13)	1,619
		RONA Growth	50%	Below threshold (0)	—
		Total			1,619

(1) Mr. Dosch did not receive 2018 performance shares as he joined the Company in June 2020.

In accordance with the Company's pay-for-performance philosophy, the realized pay was less than the fair value of the awards at time of grant. As detailed above, half of the performance shares granted in 2018 based on RONA Growth had no payout and were forfeited. Each year the Committee reviews the performance targets and metrics for the upcoming grant. The current structure of our performance shares award program, including performance metrics, reflects changes made in prior years in response to shareholder feedback. In 2020, the Committee followed a consistent approach from the prior year and did not make any fundamental changes to the structure of the program.

Stock Appreciation Rights

We use Stock Appreciation Rights (SARs) to both motivate and align management's incentives with long-term stockholder value. We believe that management should have a substantial stake in the success of the Company and that enduring stock price growth reflects the effectiveness of management in executing a long-term strategic plan, not just the passage of time. Our SARs settle in Company common stock upon exercise, and they vest ratably over three years.

Restricted Stock Units

Fundamentally, Restricted Stock Units (RSUs) are meant to balance the need for long-term retention of key executive talent while aligning realizable value with changes in stockholder wealth. Restricted stock is common in the marketplace and therefore is an important component of a competitive compensation opportunity. It is, however, intentionally only a modest portion of our NEOs' total long-term incentive compensation. Our philosophy is to grant equity-based long-term incentives having an economic value which generally approximates the 50th percentile of grants by companies in our peer group. We believe this target allows us to attract, motivate and retain the executive talent necessary to develop and execute our business strategy. Our RSUs either cliff vest after three years or vest over a three-year period.

In 2020, we provided a one-time award of RSUs to each of the NEOs to recognize his or her individual efforts in connection with the completion of the merger of Anixter, a strategically significant and transformational initiative for the Company, and to promote their retention.

The performance share, SAR and RSU grants to our NEOs in 2020 were as follows:

NEO	Performance Share Opportunity (reflects number of shares that could be earned at target)(4)	SAR Awards	RSU Awards(4)	Grant Date	Grant Price	SARs Expiration Date	RSU - Vesting Date
Engel	53,291	92,893	26,645	2/13/2020	\$48.32 ⁽²⁾	2/13/2030	2023 (4)
	—	—	124,301	7/2/2020	\$32.18 ⁽³⁾	—	
Schulz	15,780	27,507	7,890	2/13/2020	\$48.32 ⁽²⁾	2/13/2030	2023 (4)

Lazzaris	7,036	12,266	3,518	2/13/2020	\$48.32 ⁽²⁾	2/13/2030	2023 (4)
	—	—	31,075	7/2/2020	\$32.18 ⁽³⁾	—

Dosch	—	—	43,505	7/2/2020	\$32.18 ⁽³⁾	—	(4)

(1) Performance shares are subject to a three-year performance period.

(2) Represents the exercise price for the SARs granted and the RSUs at issuance price, which was the closing price of our Company stock on the February 13, 2020 grant date in accordance with Committee action on February 13, 2020.

(3) Represents the exercise price for the RSUs at issuance price, which was the closing price of our Company stock on the July 2, 2020 grant date in accordance with Committee action on June 21, 2020.

(4) The RSU awards to each of the NEOs on July 2, 2020, represent a one-time award to recognize the efforts of these NEOs in connection with the completion of the merger of Anixter and to promote their retention. These awards vest in increments of 30% on each of the first and second anniversaries of the grant date and 40% on the third anniversary of the grant date, subject, in each case, to continued employment through the applicable anniversary date.

The Company's target long-term incentives for the NEOs' annual grants were generally at the 50th percentile of the peer group for 2020.

In 2020, we granted 262,091 SARs, 150,354 performance shares, and 656,717 RSUs in the aggregate to all award recipients. The awards were approximately equal to 2.3% of the weighted average outstanding stock of the Company. With respect to the NEOs other than himself, the Chief Executive Officer makes grant recommendations based on each individual executive's expected long-term contributions to the value creation of the Company and consideration of market data. The Chief Executive Officer's recommendations and Meridian's analysis are considered in making grant determinations. With respect to the Chief Executive Officer, the Committee determines (without the input of the Chief Executive Officer) the amount of his grant. In 2020, we granted performance shares, SAR and RSU awards to approximately 190 employees.

No Hedging or Pledging

Our Insider Trading Policy prohibits our Directors and NEOs from engaging in hedging transactions involving Company securities and from pledging Company securities as collateral for loans.

Retirement Savings

Our Company maintains a 401(k) Retirement Savings Plan for all eligible employees, including the NEOs. In 2020, the Company continued to match employee contributions at a rate of \$0.50 per \$1.00 of contributions up to 6% of eligible compensation but suspended the matching of employee contributions from May 1 to September 30 due to the pandemic. The Company made no discretionary contribution to the 401(k) Retirement Savings Plan for 2020.

We also maintain an unfunded nonqualified deferred compensation plan for a select group of qualifying management or highly compensated employees, including the NEOs. Participants may defer a portion of their salary and are eligible for a Company match at a rate of \$0.50 per \$1.00 up to 6% of eligible compensation less any Company match paid under the 401(k) plan. Earnings are credited to employees' accounts based on their deemed investment selections from offered investment funds. Notwithstanding any provision of the Deferred Compensation Plan or benefit election made by any participant deemed to be a key employee, benefits payable under the Deferred Compensation Plan will not commence until at least six months after the key employee's separation from employment. See the "Nonqualified Deferred Compensation" table on page 51 for more information regarding the NEOs' benefits under the Deferred Compensation Plan. Our Company does not have a defined benefit or supplemental retirement plan or any plans providing for post-retirement health benefits for our NEOs.

Anixter Inc. provides defined pension benefits under its pension plan and its excess benefit plan to eligible U.S. employees, including Mr. Dosch. The pension plan benefit consists of two components: (i) until December 31, 2013, a "grandfathered benefit" for employees hired prior to June 1, 2004 and (ii) a "PRA Benefit" for all employees hired on or after June 1, 2004 and beginning January 1, 2014, for all employees. This pension plan was closed to new hires or rehires as of July 1, 2015. Mr. Dosch has accrued a PRA benefit since joining Anixter in January 2009. For the PRA Benefit, each participant has a personal retirement account, which is a notional account that receives an annual pay credit equal to 2.0% of salary (up to the applicable Code limits) for each plan year in which the participant's years of continuous service are fewer than five and 2.5% of salary (up to the applicable Code limits) for each plan year in which the participant's years of continuous service are five or greater.

For certain highly compensated employees in the U.S., Anixter provides a non-qualified Excess Benefit Plan which extends the applicable benefit formula in the qualified pension plan to eligible compensation that exceeds the amount allowed by the Code to be taken into account under the qualified plan. Mr. Dosch participates in the Anixter Excess Benefit Plan.

Anixter Inc. maintains a defined contribution plan covering all of its non-union U.S. employees (the "Anixter Employee Savings Plan"), including Mr. Dosch. The employer match for the Anixter Employee Savings Plan is equal to 50% of a participant's contribution up to 5% of the participant's compensation.

For certain highly compensated employees, including Mr. Dosch, Anixter provides a nonqualified deferred compensation plan that enables participants to defer up to 50% of their salary and 100% of their annual incentive until retirement or other specified future date. In the fourth quarter of 2020, the Company made a determination to terminate the Anixter deferred compensation plan.

Health and Welfare Benefits

We provide health benefits to full-time employees, including the NEOs, who meet the eligibility requirements. Employees pay a portion of the cost of healthcare on an increasing scale correlated to higher annual incomes. Accordingly, the NEOs' percentage share of the cost of benefit coverage under our plan is higher than other employees. Our health and welfare benefits are evaluated periodically by external benefits consultants to assess plan performance and costs and to ensure that benefit levels approximate the median value provided to employees of peer companies. As a risk management measure, we also offer executive physicals involving diagnostic testing.

Perquisites

During 2020, the Company provided a limited number of perquisites to the NEOs. They primarily consist of a vehicle allowance and club memberships. The Committee determined that it is in the Company's best interest to continue providing these perquisites in order to offer a competitive pay package. The Company does not provide tax gross-ups on executive-only perquisites. See the "All Other Compensation" table on page 46 for more information regarding the perquisites given to our NEOs.

Clawback Provisions

We have adopted a “clawback” policy to provide for recovery of incentive compensation, if any, in excess of what would have been paid to our executive officers or former executive officers in the event that the Company is required to restate financial results and also to provide for clawback of cash and equity incentive compensation in the event of misconduct by an executive officer or former executive officer.

Robust Stock Ownership Guidelines and Holding Periods for Executive Officers

Our Board has adopted robust stock ownership guidelines for certain executive officers. For the NEOs, the ownership guidelines are as follows:

NEO	Ownership Requirement as a Multiple of Base Salary
Engel	5x
Schulz	3x
Lazzaris	2x
Squires	2x
Dosch	2x

These officers are expected to acquire their initial ownership positions within five years of their appointment and to hold those ownership positions during their service as executives of the Company. Until the stock ownership guidelines are met, an officer must hold a minimum of 50% of the pre-tax value realized at the exercise or vesting of equity awards. The Board reviews compliance with these guidelines annually, and all of our NEOs have acquired or are acquiring equity in accordance with the guidelines. Our CEO’s ownership level is approximately 19x, well in excess of his 5x requirement. See “Security Ownership of Management” table on page 24 for more information on their ownership positions. See also “Director Compensation” on page 58 for information about Stock Ownership Guidelines for Directors.

In addition, the Company has stock ownership guidelines for other officers and members of management who are not NEOs. In total, approximately 70 individuals were subject to stock ownership guidelines as of April 2021.

Stock Ownership, Purchases Made by New Officers, and Matching SARs

To align officers’ interests with stockholders’ interests and to encourage new officers to satisfy their stock ownership guidelines by using their own funds to purchase Company stock in the open market, new senior officers are eligible to receive SARs equal to the number of shares purchased for long-term investment by that officer in the open market during the first twelve months of employment, up to a limited amount in total over no more than three trading days. The exercise price of the SARs is set at the closing price on the date of purchase in the open market. Such SARs vest ratably over three years. The program is designed to encourage stock ownership and investment, which aligns management interests with stockholder interests.

Chief Executive Officer Compensation

Mr. Engel’s compensation is higher than the compensation of other NEOs due to the broad scope of his responsibilities as Chief Executive Officer, including executive leadership in the development, articulation and promotion of the Company’s vision, goals and values, the development and execution of the Company’s long-term strategy and annual operating and financial plans, the development and motivation of the senior management team, ensuring the recruitment, training and development of the required human resources to meet the needs of the Company, and overall service as the principal spokesperson for the Company in communicating with stockholders, employees, customers, suppliers, and our Board and Board committees. As described previously, the Committee engages an independent compensation consultant, Meridian, to prepare an annual market analysis of target total compensation (the total of salary, target annual cash incentive and long-term incentives) compared to a peer group, and it targets total compensation at median within a range that it considers competitive. Based on the annual compensation analysis prepared by Meridian, the CEO’s target total compensation for 2020 was within that range.

Employment, Severance, Change in Control or Other Arrangements

As disclosed previously, Mr. Engel has a 2009 employment agreement that provides for, among other things, a base salary amount and a target bonus of not less than 100% of base salary, as may be adjusted by the Committee. Mr. Engel also receives long-term equity-based incentives under the Company’s Long-Term Incentive Plan as determined by the Committee. In the event that prior to a

change in control Mr. Engel's employment is terminated by the Company without cause or by Mr. Engel for good reason, he will be entitled to receive monthly cash payments for 24 months in an amount equal to his monthly base salary as of the termination date, a lump sum cash amount equal to his target annual incentive opportunity for the year in which he was terminated and accelerated vesting of all stock-based awards, exercisable for up to 18 months, except for performance based awards where operational or performance criteria have not been met. If such termination occurs within two years after a change in control, Mr. Engel will instead be entitled to receive (i) a lump sum cash payment equal to two times the sum of his annual base salary and his annual target incentive opportunity as of the termination date, (ii) a gross-up payment to offset certain excise taxes, if any, (iii) prorated incentive compensation for the year in which he was terminated and (iv) accelerated vesting of all stock-based awards, exercisable for up to 18 months, except for performance-based awards where operational or performance criteria have not been met. As disclosed previously, other than the pre-existing employment agreement with Mr. Engel, the Company has no other agreements with executive officers providing for excise tax gross-ups with respect to payments contingent upon a change in control. In addition, the Company committed that it will not enter into any new or materially amended agreements with executive officers providing for excise tax gross-ups with respect to payments contingent upon a change in control and, indeed, has not entered into any such agreements. See "Potential Payments Upon Termination" on page 52 for additional information. The 2009 employment agreement has a term of three years and thereafter is subject to one-year automatic extensions. Mr. Engel is subject to confidentiality obligations during the term of his employment and for five years thereafter. He is bound by restrictive covenants in the form of non-competition and non-solicitation of employees and customers during the term of his employment and for a period of two years thereafter.

On June 22, 2020, in conjunction with the closing date of the acquisition of Anixter, the Company entered into new employment letter agreements (each, a "Letter Agreement") with each of Mr. Schulz, Ms. Lazzaris and Mr. Squires. Each Letter Agreement superseded and replaced the applicable officer's prior employment letter agreement with the Company. Effective on June 22, 2020, in conjunction with the closing date of the acquisition of Anixter, Mr. Dosch joined the Company pursuant to the terms of a May 28, 2020 letter agreement (also, a "Letter Agreement") between the Company and Mr. Dosch. Mr. Engel's 2009 Employment Agreement was not modified and remains in effect.

The Letter Agreement with Mr. Schulz provides for a base salary of \$650,000 (to take effect upon expiration of the temporary salary reduction related to COVID-19 pandemic (the "COVID-19 Reduction"), which was September 30, 2020), a target annual bonus opportunity of 100% of base salary with a payout opportunity of 0-200% of base salary, and an annual equity award opportunity that is subject to approval by the Compensation Committee.

The Letter Agreement with Ms. Lazzaris provides for a base salary of \$510,000 (to take effect upon expiration of the COVID-19 Reduction), a target annual bonus opportunity of 75% of base salary with a payout opportunity of 0-150% of base salary, and an annual equity award opportunity that is subject to approval by the Compensation Committee.

The Letter Agreement with Mr. Squires provides for a base salary of \$600,000 (to take effect upon expiration of the COVID-19 Reduction), a target annual bonus opportunity of 90% of base salary with a payout opportunity of 0-180% of base salary, and an annual equity award opportunity that is subject to approval by the Compensation Committee.

The Letter Agreement with Mr. Dosch provides for a base salary of \$625,000, a target annual bonus opportunity of 100% of base salary with a payout opportunity of 0-200% of base salary, and an annual equity award opportunity that is subject to approval by the Compensation Committee.

Each Letter Agreement noted the one-time award of restricted stock units as described on page 39 in connection with the closing of the Anixter transaction. The Letter Agreement for Mr. Dosch also provided for a cash retention award of \$2,660,000, which vests in annual installments on each of the first two anniversaries of June 22, 2020, the closing date of the Anixter transaction. This amount was in lieu of any rights or entitlements that Mr. Dosch would have had under a prior change in control agreement with Anixter, which he agreed was superseded in its entirety by the Letter Agreement.

Under the Letter Agreement, if Mr. Dosch's employment is terminated by the Company without cause, then any unvested portion of the cash retention award will vest, subject to his execution and delivery of a release.

Each Letter Agreement also includes a severance provision entitling the applicable officer to receive the following severance benefits upon the termination of the officer's employment by the Company without cause or by the officer for good reason, subject to the officer's execution and non-revocation of a general release of claims against the Company: (i) cash severance equal to 12 months of base salary; (ii) a prorated target bonus for the year of termination; and (iii) continued medical, dental and vision benefits for one year following termination of employment subject to continued payment of the applicable premiums at active employee rates.

Pursuant to each Letter Agreement, the applicable officer is subject to noncompetition and employee and customer non-solicitation restrictions applicable during employment and for one year thereafter and perpetual confidentiality and non-disparagement covenants.

Change in Control Severance Plan

Effective as of June 22, 2020, the Board adopted the WESCO International, Inc. Change in Control Severance Plan (the "CIC Plan"), which will provide severance benefits under certain circumstances to CIC Plan participants selected by the Compensation Committee of the Board. Mr. Schulz, Ms. Lazzaris, Mr. Squires and Mr. Dosch, as well as other executive officers of the Company, have been selected to participate in the CIC Plan. Mr. Engel does not participate in the CIC, as his benefits are specified in his pre-existing 2009 employment agreement, which was not modified and remains in effect.

Under the CIC Plan, if a participant's employment is terminated by Company other than for cause or by the participant for good reason, in each case on or within two years following a change in control of the Company, the Company will pay or provide to the participant a cash severance payment equal to the sum of: (i) a prorated target bonus for the year of termination; (ii) an amount equal to a multiple (2x for each participant selected to participate as of June 22, 2020) of the participant's base salary plus the participant's target bonus; (iii) an amount equal to a multiple (2x for each participant selected to participate as of June 22, 2020) of the employer portion of the annual cost of continued coverage under the Company's healthcare benefit plans (including medical, prescription, dental and vision coverage); and (iv) an amount that may be used for outplacement services (\$25,000 for each participant selected to participate as of June 22, 2020). This severance payment will be provided in lieu of any severance benefits to which the participant is otherwise entitled under any other arrangement with the Company.

As a condition to receipt of the severance benefits, the CIC Plan requires that each participant execute and not revoke a general release of claims against the Company and agree to comply with one-year post-termination noncompetition and employee and customer non-solicitation covenants and perpetual confidentiality and non-disparagement covenants.

If any payments or benefits would cause a participant to become subject to the excise tax imposed under section 4999 of the Internal Revenue Code, then the severance payment under the CIC Plan will be reduced to the extent required so that the participant would not be subject to the excise tax if such a reduction would put the participant in a more favorable after-tax position than if the participant were to pay the excise tax.

The WESCO International, Inc. 1999 Long-Term Incentive Plan, as amended and restated effective May 31, 2017, provides that SAR and RSU awards would vest upon consummation of a change in control transaction, and our performance share award agreements provide that performance share awards would vest at the target level upon consummation of a change in control transaction. This Long-Term Incentive Plan, which was approved by the stockholders in 2017, includes these provisions to align management's interests with stockholders' interests. The payments to the NEOs upon consummation of a change in control transaction for accelerated vesting of equity awards are set forth in the first column of each table on pages 52 to 55

The Company has entered into indemnification agreements with the NEOs, in the form as set forth on an exhibit to the Company's Form 10-K filed on February 22, 2016, providing for: indemnification for indemnifiable claims and losses; advancement of expenses; and D&O liability insurance.

Compensation Practices and Risk

On an annual basis, the Committee reviews the potential for risk regarding our compensation program design, including incentive compensation. The Committee has reviewed the Company's compensation programs for employees generally and has concluded that these programs do not create risks that are reasonably likely to have a material adverse effect on the Company. The Committee believes that the design of the Company's annual cash and long-term equity incentives provides an effective and appropriate mix of incentives to help ensure the Company's performance is focused on long-term stockholder value creation and does not encourage the taking of short-term risks at the expense of long-term results. Short-term incentive award payouts to the NEOs are subject to review and approval of the Committee, and the Committee also reviews with the independent members of the Board the CEO's incentive award. In addition, incentive award payouts are capped at 2x target. The Committee has the discretionary authority to reduce or eliminate any incentive payouts. As previously noted above, the Company also maintains stock ownership guidelines and has adopted a clawback policy that applies to incentive compensation, if any, in excess of what would have been paid to our executive officers or former executive officers in the event that the Company is required to restate financial results and also to provide for clawback of incentive compensation in the event of misconduct by an executive officer or former executive officer.

CEO and Senior Management Succession Planning

Management succession planning and talent development are reviewed by the Board annually as part of its leadership and organizational review process. The Board reviews and discusses with management succession plans for the NEOs and other senior

management positions across the Company, and the Board also evaluates succession plans in the context of overall Company strategy. Senior management is visible to Board members through formal presentations and informal events to allow Directors to personally assess candidates. The Board also establishes steps to address emergency CEO succession planning in extraordinary circumstances. The emergency CEO succession planning is intended to help the Company respond in the event of an unexpected emergency and reduce potential disruption or loss of continuity to the Company's business and operations.

Deductibility of Executive Compensation

We consider the anticipated accounting and tax treatment to the Company and our executive officers when reviewing executive compensation and our compensation programs, but the Company reserves the right to pay compensation that is not deductible and a portion of the executive officers' compensation paid in 2020 was not deductible. The deductibility of some types of compensation payments can depend upon the timing of an executive's vesting or exercise of previously granted rights or termination of employment.

Code Section 162(m) generally imposes a \$1 million limit on the amount that a public company may deduct for compensation paid to "covered employees". Under Code Section 162(m) as currently in effect, the definition of covered employees generally includes a) the Company's principal executive officer ("PEO") and principal financial officer ("PFO"), whether serving in that capacity at the end of the tax year or not, b) the three highest compensated officers for the taxable year other than the PEO and PFO even if the officer's compensation is not required to be reported under the Exchange Act, and c) any individual who was a covered employee of the Company at any time after December 31, 2016. Thus, the definition of covered employees includes, but is not limited to, the Company's NEOs.

Post-enactment of the Tax Cuts and Jobs Act of 2017 "performance-based compensation," which included annual incentive payments, the gain recognized by covered employees upon the exercise of compensatory stock options and SARs, and income recognized on the vesting of RSU's and performance share awards are no longer deductible to the extent they cause the covered employee's compensation to exceed the \$1 million limit under Section 162(m). However, we generally will continue to emphasize the use of performance-based compensation. We expect in the future to authorize compensation in excess of \$1 million to covered employees, which will not be deductible under Section 162(m), when we believe doing so is in the best interests of the Company and our stockholders.

Respectfully Submitted:

- (2) Represents the grant date fair value of SAR awards computed in accordance with FASB ASC Topic 718. These equity awards are subject to time-based vesting criteria. The assumptions used in calculating these amounts are set forth on pages 86 to 88 of our financial statements for the year ended December 31, 2020 Annual Report on Form 10-K. All the equity awards were granted under the WESCO International, Inc. 1999 Long-Term Incentive Plan, as amended and approved by our Board and stockholders.
- (3) Represents aggregate grant date fair value of RSUs and performance share awards in accordance with FASB ASC Topic 718, which, with respect to performance shares, is the value based on the target level of achievement (determined to be the probable outcome of the performance conditions at the time of grant). In the event the maximum performance conditions are met, the maximum value of the performance shares would be: for Mr. Engel \$5,150,042; Mr. Schulz \$1,524,979; Ms. Lazzaris \$679,959; and Mr. Squires \$1,199,979. RSUs are subject to time-based vesting criteria and performance shares are subject to achievement of certain performance targets over a three-year performance period. The assumptions used in calculating these amounts are set forth on pages 86 to 88 of our financial statements for the year ended December 31, 2020 in our Annual Report on Form 10-K. All the equity awards were granted under the WESCO International, Inc. 1999 Long-Term Incentive Plan, as amended and approved by our Board and stockholders.

All Other Compensation

The following table describes each component of the All Other Compensation column for 2020 in the Summary Compensation Table. The most significant component of this table is Company payments or contributions to employee retirement savings programs. These payments are further analyzed in the table contained in footnote (4) and include payments that are also presented and discussed there.

NEO	Year	Other Benefits ⁽¹⁾	Auto Allowance ⁽²⁾	Tax Equalization Benefit	Payments Relating to Employee Retirement Savings Programs ⁽⁴⁾	Total
Engel	2020	\$ 15,460	\$ 12,000	—	\$ 35,862	\$ 63,322
Schulz	2020	\$ 729	\$ 12,000	—	\$ 16,570	\$ 29,299
Lazzaris	2020	\$ 154	\$ 12,000	—	\$ 10,598	\$ 22,752
Squires	2020	\$ 160,452	\$ 12,000	\$ 522,991 ⁽³⁾	\$ 7,350	\$702,793
Dosch	2020	\$ 0	\$ 0	—	\$ 72,620	\$ 72,620

- (1) This column reports the total amount of other benefits provided, none of which exceeded \$10,000 unless otherwise noted. The amount for Mr. Engel includes club dues of \$15,306. The amount for Mr. Squires includes a housing allowance of \$21,250 and relocation expenses of \$139,047. Mr. Squires had been living in Canada under the Company's standard expat program when he was the leader of the Company's Canadian business. Under the terms of a prior promotion, he was required to move back to the U.S. in 2020. He completed his relocation in 2020 as required.
- (2) Represents a monthly automobile allowance.
- (3) Before Mr. Squires was promoted and became an NEO, he was the leader of the Company's Canadian business. While living in Canada, he was eligible for our standard expat program, which includes a benefit of tax equalization for employees on assignment outside of their home country. Tax payments made in Canadian dollars were converted to U.S. dollars based on the then prevailing Canadian dollar/U.S. dollar exchange rate on the date of payment, which was approximately 0.78. Under the terms of his promotion, he was required to move back to the U.S. in 2020, which he has done, and thus the tax equalization benefit will cease.
- (4) The retirement savings program for the NEOs (other than Mr. Dosch) includes both the Retirement Savings Plan, a qualified 401(k) plan, and the Deferred Compensation Plan, a nonqualified deferred compensation plan for certain management and highly compensated employees. Company contributions to the retirement savings program include matching contributions and discretionary contributions. The table below breaks down the Company contribution by plan and contribution type. Company matching contributions are capped at 50% of participant deferrals, not to exceed 3% of eligible compensation. Matching contributions are made to the 401(k) plan up to maximum limits established by the IRS, with any excess contributed to the deferred compensation plan. Similarly, discretionary contributions are made to the 401(k) plan up to maximum limits established by the IRS, with the excess contributed to the deferred compensation plan. The retirement savings program for Mr. Dosch reflects changes in pension value.

- (1) Represents possible annual incentive cash awards that could have been earned in 2020 at "target" and "maximum" levels of performance. Amounts actually received by the NEOs under the annual incentive plans for 2020 performance are set forth in the "Non-Equity Incentive Plan Compensation" column of the Summary Compensation Table on page 45. For further information about the annual incentive plans, please see the related discussion beginning on page 35.
- (2) Represents possible performance share awards granted in 2020 that could be earned at "threshold", "target", and "maximum" levels of performance over a three-year performance period. Each performance share award is based on two equally-weighted performance measures during the three-year performance period beginning January 1, 2020 and ending December 31, 2023, as discussed on pages 37 to 38.
- (3) Represents the number of SARs granted in 2020 to the NEOs. These SARs will time vest and become exercisable ratably in three equal increments annually on the anniversary date.
- (4) Represents the number of RSUs granted in 2020 to the NEOs. The RSUs granted February 2020 will cliff vest on the anniversary date in 2023. The RSUs granted July 2020 will vest at 30% on the first and second anniversary of the grant date beginning July 2022; the remainder 40% will vest on the third anniversary of the grant.
- (5) Represents the full grant date fair value of SARs, RSUs and performance shares under ASC Topic 718 granted to the NEOs. With respect to awards subject to performance-based vesting conditions, grant date fair value is based on an estimate of the probable outcome at the time of grant which reflects achievement at "target" performance. For additional information on the valuation assumptions, refer to Note 15 of the Company's financial statements in the Annual Report on Form 10-K for the year ended December 31, 2020.
- (6) Represents the exercise price for the SARs and the grant date per share value of RSUs granted, which was the closing price of our Company stock on February 13, 2020, in accordance with Committee action on the grant date indicated.
- (7) Represents the grant date per share value of RSUs granted, which was the closing price of our Company stock on July 2, 2020.

Under the general terms of the Company's Performance share awards, performance shares would vest at target upon a change in control. The Company has included these provisions in the Long-Term Incentive Plan, which was approved by stockholders in 2017, to align management's interests with stockholders' interest.

(3) Reflects investment returns or earnings (losses) calculated by applying the investment return rate at the valuation date to the average balance of the participant's deferral account and Company contribution account since the last valuation date for each investment vehicle selected by the participant. Investment vehicles available to participants are a subset of those offered in the 401(k) plan and notably do not include Company stock.

In addition, the Company committed that it will not enter into any new or materially amended agreements with executive officers providing for excise tax gross-ups with respect to payments contingent upon a change in control and, indeed, has not entered into any such agreements.

POTENTIAL PAYMENTS UPON TERMINATION: MR. SCHULZ; MS. LAZZARIS; MR. SQUIRES; AND MR. DOSCH

Each of the following potential scenarios represents circumstances under which the NEO's employment with the Company could potentially terminate. A description of the compensation benefits due to the NEO in each scenario is described below. In each case, the date of the termination is assumed to be December 31, 2020. The amounts described in the table below will change based on the assumed termination date. The determination of compensation due to each NEO upon separation from the Company is governed by the terms of his or her Letter Agreement, effective June 22, 2020, as described on page 42, the terms of the CIC Plan, as described on page 43, and applicable equity award agreements.

Each Letter Agreement includes a severance provision entitling the NEO to receive the following severance benefits upon the termination of the NEO's employment by the Company without Cause or by the NEO for good reason, subject to the execution and non-revocation of a general release of claims against the Company: (i) cash severance equal to 12 months of base salary; (ii) a prorated target bonus for the year of termination; and (iii) continued medical, dental and vision benefits for one year following termination of employment. Under Mr. Dosch's Letter Agreement with the Company, in the event of termination of his employment by the Company without Cause, subject to the execution and delivery of a release of claims, any unvested portion of the cash retention award described on page 42 will vest. Under each Letter Agreement, the NEO is subject to noncompetition and employee and customer non-solicitation restrictions applicable during employment and for one year thereafter and perpetual confidentiality and non-disparagement covenants.

Under the CIC Plan, if a participant's employment is terminated by Company other than for cause or by the participant for good reason, in each case on or within two years following a change in control of the Company, the Company will pay or provide to the participant a cash severance payment equal to the sum of: (i) a prorated target bonus for the year of termination; (ii) an amount equal to a multiple (2x for each of Mr. Schulz, Ms. Lazzaris, Mr. Squires and Mr. Dosch) of the participant's base salary plus the participant's target bonus; (iii) an amount equal to a multiple (2x for each of Mr. Schulz, Ms. Lazzaris, Mr. Squires and Mr. Dosch) of the employer portion of the annual cost of continued coverage under the Company's healthcare benefit plans (including medical, prescription, dental and vision coverage); and (iv) an amount that may be used for outplacement services (\$25,000 for each of Mr. Schulz, Ms. Lazzaris, Mr. Squires and Mr. Dosch). The CIC Plan requires that each participant execute and not revoke a general release of claims against the Company and agree to comply with one-year post-termination noncompetition and employee and customer non-solicitation covenants and perpetual confidentiality and non-disparagement covenants.

Under the Letter Agreements, Cause means: (i) the willful and continued failure to substantially perform the NEO's employment duties; (ii) the Company's determination, in good faith, that the NEO has engaged in willful misconduct or gross negligence relating to the business of the Company; (iii) a plea of guilty or *nolo contendere* by the NEO to, or the NEO's conviction of, a felony under federal or state law; or (iv) material breach of any written policy of the Company, including without limitation the Company's Code of Conduct. Under the CIC Plan, Cause means: (i) the willful and continued failure to substantially perform the participant's employment duties; or (b) the willful engaging by the participant in illegal conduct which is materially and demonstrably injurious to the Company.

Good reason means, without written consent: (i) a reduction in the NEO's annual base salary, excluding any reduction that occurs in connection with an across-the-board reduction of the salaries of substantially the entire senior management team; (ii) a relocation of the NEO's primary place of employment to a location more than 50 miles from Pittsburgh, Pennsylvania (or with respect to Mr. Dosch, the facility in which he is based); or (iii) any material reduction in the NEO's authority, duties or responsibilities.

Change in control means: (a) an acquisition by any individual, entity or group of beneficial ownership of 30% or more of either the outstanding shares of common stock of the Company or the combined voting power of the outstanding voting securities of the Company entitled to vote generally in the election of directors (with certain exceptions); (b) a change in the composition of the Board such that individuals who constitute the incumbent board cease to constitute at least a majority of the Board; (c) the consummation of a reorganization, merger, statutory share exchange or consolidation or similar transaction involving the Company or any of its subsidiaries, a sale or other disposition of all or substantially all of the assets of the Company, or the acquisition of assets or securities of another entity by the Company or any of its subsidiaries (with certain exceptions); and (d) the approval by the shareholders of the Company of a complete liquidation or dissolution of the Company.

CHIEF EXECUTIVE OFFICER PAY RATIO

As required by SEC rules, we are providing the following information about the ratio of annual total compensation of all of our employees, other than our CEO, to the annual total compensation of our CEO.

For 2020: (1) the annual total compensation of our median employee was \$58,528; and (2) the annual total compensation of our CEO was \$11,313,497. Based on this information, for 2020 the ratio of the annual total compensation for our CEO to the annual total compensation of our median employee was approximately 193 to 1. We believe that the pay ratio is a reasonable estimate calculated consistent with Regulation S-K Item 402(u).

The methodology and the material assumptions, adjustments, and estimates that we used for this calculation were as follows: We determined that, as of December 31, 2020, our employee population consisted of approximately 17,939 employees at our parent company and consolidated subsidiaries, of which 12,069 were U.S. employees and 5,870 were non-U.S. employees. Our employee population, after taking into consideration the adjustments permitted by SEC rules, consisted of approximately 17,093 individuals, of which 12,069 were U.S. employees and 5,024 were non-U.S. employees. For these purposes, we excluded approximately 846 employees from the following jurisdictions: China (71), Brazil (69), Poland (59), New Zealand (58), Belgium (56), Argentina (44), United Arab Emirates (44), Ireland (42), Panama (34), India (33), Spain (30), Costa Rica (27), Saudi Arabia (25), Germany (21), Italy (21), Jamaica (17), Ecuador (16), France (16), Netherlands (16), Hong Kong (15), Sweden (15), Turkey (11), Switzerland (10), Japan (10), Malaysia (9), Trinidad and Tobago (9), Philippines (8), Barbados (7), Russian Federation (7), Morocco (6), Portugal (6), Austria (5), Egypt (5), Czech Republic (4), Guatemala (4), Indonesia (4), Taiwan (4), Uruguay (4), Norway (4) and Denmark (1).

SEC rules allow companies to use a variety of assumptions, adjustments, methodologies, and estimates. Therefore, the ratio figure reported above may not be capable of comparison to the ratio figures reported by companies in our peer group or by any other company.

With respect to identifying the “median employee,” we used a consistently applied compensation measure, which is the sum of an employee’s estimated annual salary/wages, commissions and bonus. Compensation was measured over the 12-month period beginning on January 1, 2020 and ending on December 31, 2021. For employees outside the U.S., we converted local currency amounts to U.S. dollars.

For 2020, we combined all of the elements of our median employee’s compensation in accordance with the requirements of Item 402(c)(2)(x) of Regulation S-K, resulting in annual total compensation of \$58,528. The difference between such employee’s wages and the employee’s annual total compensation represents the value of the employee’s retirement benefits.

With respect to the annual total compensation of our CEO, we used the amount reported in the “Total” column of our 2020 Summary Compensation Table included in this Proxy Statement.

DIRECTOR COMPENSATION

Compensation

Independent members of the Board of Directors receive compensation in the form of an annual retainer and an annual equity award. Directors have the ability to defer 25% to 100% of the retainer. Deferred amounts are converted into stock units and credited to an account in the Director's name using the average of the high and low trading prices of our Common Stock on the first trading day in January of that year. The table below sets forth 2020 annual retainers our non-employee Directors, as determined based on analysis provided by the independent compensation consultant, as described below. Because of the COVID-19 pandemic, however, the Board reduced the cash retainer amounts by 25% for the period May 1 to September 30. The actual 2020 amounts, including the 25% temporary reduction, are set in the "Director Compensation for 2020" table on page 58.

Independent Compensation Consultant – The Nominating and Governance Committee works with an independent compensation consultant, Meridian, to do an annual assessment of Director compensation, including providing the Nominating and Governance Committee with market research and comparison data using a peer group of companies which is the same as that used in the Compensation Committee's evaluation of executive compensation. Our target for Director Compensation is the median of the peer group, and the benchmarking performed by the independent consultant indicated that the total compensation was consistent with the peer group median (\$231,900 for WESCO compared to a peer group median of \$234,500). We query our consultant on new developments, best practices and trends in Director Compensation, and Meridian serves as a resource to the Nominating and Governance Committee.

In addition to the retainer, non-employee Directors are reimbursed for travel and other reasonable out-of-pocket expenses related to attendance at Board and Committee meetings. Directors receive no additional compensation for Board or Committee meeting attendance. Members of our Board who are also our employees do not receive compensation for their services as Directors.

For 2020, non-employee Directors received equity grants in the form of RSUs in the amount of approximately \$140,000, which will vest on the first anniversary of the date of the grant. If a Director's Board service is terminated earlier than one year from the date of grant as a result of the scheduled expiration of the Director's term then, if such date is (1) less than three calendar months from the date of grant, then 25% of the RSUs shall be deemed vested, (2) at least three but less than six calendar months from the date of grant, then 50% of the RSUs shall be deemed vested, (3) at least six but less than nine calendar months from the date of grant, then 75% of the RSUs shall be deemed vested, and (4) at least nine calendar months from the date of grant, then 100% of the RSUs shall be deemed vested. In February 2020, each non-employee Director received a grant of 2,897 RSUs. The RSUs awarded February 13, 2020 have a grant date fair value of \$48.32, the closing price of our Common Stock on February 13, 2020.

Distribution of deferred stock units will be made in a lump sum or in installments, in the form of shares of our Common Stock, in accordance with the distribution schedule selected by the Director at the time the deferral election is made. All distributions will be made or begin as soon as practical after January 1 of the year following the Director's termination of Board service.

As set forth on an exhibit to the Company's Form 10-K filed on February 22, 2016, the Company has entered into indemnification agreements with each current Director providing for: indemnification for indemnifiable claims and losses; advancement of expenses; and D&O liability insurance.

Robust Stock Ownership Guidelines

Our Board has adopted robust stock ownership guidelines for Directors, which are five times their annual cash retainer. Directors are expected to hold these ownership positions during their service as Directors. All Directors have acquired or are acquiring stock in accordance with the stock ownership guidelines.

ITEM 3 — APPROVE THE WESCO INTERNATIONAL, INC. 2021 OMNIBUS INCENTIVE PLAN

The Board of Directors approved the WESCO International, Inc. 2021 Omnibus Incentive Plan on March 30, 2021, subject to the approval of our stockholders. The Board unanimously recommends a vote “for” approval of the WESCO International, Inc. 2021 Omnibus Incentive Plan.

**OUR BOARD UNANIMOUSLY RECOMMENDS A VOTE “FOR” APPROVAL OF THE
WESCO INTERNATIONAL, INC. 2021 OMNIBUS INCENTIVE PLAN.**

Item 3 – Approve the WESCO International, Inc. 2021 Omnibus Incentive Plan

In March 2021, the Compensation Committee of our Board recommended, and our Board approved, the WESCO International, Inc. 2021 Omnibus Incentive Plan (the “Plan”), subject to the approval of our stockholders.

The purpose of this Plan is to give the Company a competitive advantage in attracting, retaining and motivating officers, employees, directors and/or consultants. We view the use of stock-based awards as an essential part of our compensation program and as an important element in achieving the program’s goals. These awards help align pay with performance and allow us to better link the financial interests of employees, non-employee directors and consultants with stockholders. We also believe that equity compensation motivates employees, non-employee directors and consultants to create stockholder value because the value they realize from equity compensation is based in large part on our Common Stock price performance.

If approved by our stockholders, the Plan will succeed the WESCO International, Inc. 1999 Long-Term Incentive Plan (as amended and restated from time to time, the “1999 Plan”) and all other prior equity compensation plans. The Company, through its Compensation Committee, believes that it has prudently managed awards under the 1999 Plan and other prior stock plans. The Company has not requested stockholder authorization for the issuance of shares pursuant to equity compensation plans since 2017. The Committee believes that adoption of the Plan is necessary to ensure that a sufficient number of shares will be available to fund our compensation programs for the next several years, taking into account the Company’s recent merger with Anixter, as well as its future growth strategy and expansion plans. It is expected that there will not be sufficient shares of our Common Stock under the 1999 Plan to cover the annual grants to employees that are scheduled to be made beginning in the latter half of 2021.

No awards will be made under the Plan unless it is approved by our stockholders. If stockholder approval is not obtained, the Plan will have no effect. If the Plan is approved, no additional awards will be granted under the 1999 Plan or any prior equity compensation plans. Grants previously made under the 1999 Plan or any prior stock plan will remain in effect according to their respective terms.

Highlights of the Plan

The Plan includes key provisions designed to protect stockholder interests, promote effective corporate governance and reflect sound corporate governance principles including, but not limited to, the following:

FEATURE	DESCRIPTION
No Discounted Options or SARs	Stock options and stock appreciation rights (SARs) may not be granted with exercise prices lower than the fair market value of the underlying shares on the grant date.
No Repricing of Underwater Options or SARs	The terms of the Plan do not allow for the repricing of “underwater” stock options or SARs without shareholder approval, including the cancellation and reissuance of new options or SARs in exchange for stock options or SARs whose strike price is above the then-current fair value of the Common Stock.
Director Award Sub-Limits	Awards granted to non-employee Directors of the Company under the Plan are subject to separate and smaller annual award limitations.
Compensation Recoupment Policy	All awards granted under the Plan are subject to any compensation recoupment policy that may be adopted by the Company (other than following a change in control).
No Evergreen Provision	There is no “evergreen” or automatic replenishment provision pursuant to which the shares authorized for issuance under the Plan are automatically replenished.
No Automatic Grants	The Plan does not provide for automatic grants to any participant.
Minimum Vesting	Awards are generally subject to a minimum one-year vesting period except as to 5% of the authorized shares.
No Payment of Dividends on Unvested Awards	The Plan does not allow dividends to be paid on unvested awards unless and until the awards vest.

The following is a summary of the key terms of the Plan. This summary is qualified in its entirety by reference to the complete text of the Plan, which is attached as Appendix A to this proxy statement.

Plan Administration

The Plan is administered by the Compensation Committee of the Board. The Committee has full authority to select the individuals who will be eligible for and granted awards, determines the amount and type of awards, determines terms and conditions of awards, establishes rules and guidelines relating to the Plan, and takes such other action as may be necessary for the proper administration of the Plan. The Nominating and Governance Committee is responsible for assessing non-employee Director compensation and for determining equity-based awards granted to non-employee Directors.

Shares Reserved under the Plan

The maximum number of shares of our Common Stock that may be granted pursuant to awards under the Plan is 2,150,000, less any shares issued under the 1999 Plan after March 31, 2021 and until the Annual Meeting. The maximum number of shares issuable as incentive stock options is 2,150,000 shares. Shares issuable under the Plan may be authorized and unissued shares.

As of March 31, 2021, 291,355 shares of our Common Stock remained available for grant under our 1999 Plan.

On and after the effective date of the Plan, no new awards may be granted under the 1999 Plan or any other prior Company equity compensation plan. Awards outstanding under any such plans will remain in full force and effect under such plans according to their respective terms. To the extent that any such award is forfeited, terminates, expires or lapses without being exercised, or is settled for cash, the shares subject to such award not delivered as a result thereof will again be available for awards under the Plan. Dividend equivalents may continue to be issued under existing equity compensation plans in respect of awards granted under such plans which are outstanding as of the effective date.

The grant date fair value of awards granted to a non-employee director in any calendar year, together with cash awards and other cash compensation paid to such non-employee director in such calendar year, may not exceed \$600,000.

If any award granted under the Plan is forfeited, terminates, expires or lapses instead of being exercised, or any award is settled for cash, the shares subject to such award will again be available for grant under the Plan. Shares delivered by participants or withheld by the Company to pay all or a portion of the exercise price with respect to stock option or SAR awards and/or withholding taxes with respect to any stock option or SAR awards will not again be available for issuance. Shares delivered by participants or withheld by the Company to satisfy applicable tax withholding obligations with respect to a full-value award (i.e., restricted shares or restricted stock units) will again be available for grant under the Plan.

In the event of a stock dividend, stock split, reverse stock split, reorganization, recapitalization, extraordinary dividend, merger, consolidation or other similar corporate transaction, the Committee or the Board may in its discretion make such adjustments as it deems appropriate and equitable to the number of shares issuable under the Plan and the individual limits above, the number and kind of shares or other securities subject to outstanding awards, the performance goals applicable to outstanding awards, and the exercise price of outstanding awards.

Term of the Plan

The Plan was approved by the Board on March 30, 2021 subject to and contingent upon approval by our shareholders. The Plan will be effective as of the date of such approval by our shareholders and will remain effective until the tenth anniversary of the date of approval by the shareholders, unless terminated earlier by the Board.

Eligibility and Participation

Any officers, employees and consultants of the Company or its subsidiaries or affiliates may be selected by the Compensation Committee to receive an award under the Plan. Non-employee Directors are eligible for awards under the Plan, and on an annual basis, the Nominating and Governance Committee determines the amount of such awards to the Company's non-employee Directors. As of March 31, 2021, eight non-employee directors and approximately 376 employees, including the five named executive officers, were eligible to participate in the Plan. In 2020, 190 employees, including the five named executive officers, received awards under the 1999 Plan.

Types of Awards

The Plan provides for discretionary awards of stock options, SARs, restricted stock, restricted stock units, other stock-based award and cash awards to selected employees, non-employee directors and consultants. Each award made under the Plan will be evidenced by an award agreement specifying the terms and conditions of the award as determined by the Committee.

Stock Options. The Committee may grant to a participant incentive stock options that qualify under Section 422 of the Code or options which do not qualify as incentive stock options (“non-qualified stock options”). The terms and conditions of stock option grants, including the quantity, price, vesting and exercise provisions, will be determined by the Committee in its discretion, provided that (i) the exercise price for options must be equal to or greater than the fair market value of the Common Stock on the date of grant and (ii) each option will expire not later than 10 years from the date of the grant. Dividends or dividend equivalents are not paid on stock options.

In addition, an incentive stock option is subject to the following rules: (i) the aggregate fair market value (determined at the time the option is granted) of the shares of Common Stock with respect to which incentive stock options are exercisable for the first time by an employee during any calendar year (under all of our stock plans) cannot exceed \$100,000 and if this limitation is exceeded, the portion of the incentive stock option that does not exceed this dollar limit will be an incentive stock option and the remainder will be a non-qualified stock option; and (ii) no incentive stock option may be granted to an employee who at the time of such grant owns stock possessing more than 10% of the total combined voting power of all classes of stock of the Company or of any subsidiary, unless at the time such stock option is granted the exercise price is at least 110% of the fair market value of a share and such stock option by its terms will expire no later than five years from the date of grant.

Stock Appreciation Rights. The Committee may grant stock appreciation rights, or SARs, to any participant. A SAR entitles the participant to receive the difference between the fair market value of the Common Stock on the date of exercise of the SAR and the exercise price of the SAR, multiplied by the number of shares with respect to which the SAR is being exercised. The award agreement will specify whether such payment is to be made in cash or shares, or will reserve to the Committee or the participant the right to make that determination prior to or upon the exercise of the SAR.

The Committee has the discretion to set the terms and conditions applicable to SARs, provided that the exercise price of each SAR will not be less than the fair market value of the shares on the date the SAR is granted, and each SAR will expire not later than ten years from the date of grant. Dividends or dividend equivalents are not paid on SARs.

Restricted Shares. The Committee may award to a participant shares of Common Stock subject to specified restrictions. Restricted shares are subject to vesting or forfeiture and are not transferable until the participant meets certain conditions such as continued service over a specified forfeiture period and/or attains specified performance goals over the forfeiture period.

The Committee has the discretion to determine the number of restricted shares awarded and the restrictions, terms and conditions of the award. Subject to the restrictions, the recipient of restricted shares will be a stockholder with respect to the shares awarded and will generally have the same rights of a stockholder with respect to the shares, including the right to vote the shares and receive dividends, if any, on the shares. Dividends otherwise payable on any stock award will be held by the Company and paid only to the extent the restrictions lapse. Any such dividends attributable to the portion of a stock award for which the restrictions do not lapse will be forfeited.

Restricted Stock Units. The Committee may grant restricted stock units to any participant. Each restricted stock unit entitles the participant to receive in the future, subject to the achievement of one or more goals relating to the completion of service by the participant and/or the achievement of performance goals or other objectives during the forfeiture period, a specified number of shares or an amount of cash equal to the fair market value of a specified number of shares.

The Committee has the discretion to determine the number of restricted stock units awarded and the restrictions, terms and conditions of the award. Unless otherwise specified in an award agreement, a participant will have no rights of a stockholder, including voting or dividend or other distribution rights, with respect to any stock units prior to the date they are settled in shares of Common Stock. The award agreement may provide that until the restrictions lapse, the participant will be paid an amount equal to the dividends that would have been paid had the stock units been actual shares, although such dividend equivalents will be held by the Company and paid only to the extent the restrictions lapse.

Other Stock-Based Awards. The Committee may make other awards of shares of Common Stock or other types of awards related to shares in such amounts and subject to such terms and conditions as the Committee may determine.

Cash Awards. The Committee may grant awards to eligible individuals that are payable in cash in such amounts and subject to such terms and conditions determined by the Committee. With respect to a cash award subject to performance goals, the performance goals to be achieved during any performance period and the length of the performance period will be determined by the Committee.

Performance Goals

The Committee may, in its discretion, provide that any award granted under the Plan be subject to the attainment of performance goals established by the Committee. Performance goals under the Plan may be based on the attainment of specified levels of one or more of the following measures: stock price, total stockholder return, earnings (whether based on earnings before taxes, earnings before interest and taxes or earnings before interest, taxes, depreciation and amortization), earnings per share, return on equity, return on assets, operating assets, or net operating assets, asset quality, efficiency ratio, liquidity, market share, customer service measures or indices, economic value added, shareholder value added, embedded value added, combined ratio, pre- or after-tax income, net income, cash flow (before or after dividends), cash flow per share (before or after dividends), free cash flow, gross margin, billing margin, pre- or after-tax profit margins, margin improvement, risk-based capital, revenues, revenue growth, sales, sales growth, return on capital (whether based on return on total capital or return on invested capital), cash flow return on investment, cost control, gross profit, operating profit, cash generation, unit volume, asset quality, cost saving levels, synergies, productivity targets or ratios, milestones in connection with strategic or operating initiatives, market-spending efficiency, or change in working capital, in each case with respect to the Company or any one or more subsidiaries, divisions, business units or business segments thereof, either in absolute terms or relative to the performance of one or more other companies (including an index covering multiple companies).

Change in Control

Unless otherwise provided in the applicable award agreement, in the event of a change in control of the Company (as defined in the Plan), (i) all outstanding stock options and SARs become fully vested and exercisable, and all restricted stock, restricted stock units and other stock-based awards (other than those that are performance-based) and all cash awards (other than performance-based cash awards) become fully vested, free of restrictions, and deemed to be earned at the full value of such award, unless a substantially equivalent replacement award (as defined in the Plan) is provided to the participant, and (ii) any performance-based restricted stock, restricted stock units and other stock-based awards or cash awards that are not replaced by a replacement award will be deemed to be earned and payable in an amount equal to the full value of such performance-based award.

Amendment and Termination of the Plan or Award

The Committee may amend or terminate the Plan or an award at any time; provided that no amendment or termination of the Plan may materially impair the right of a participant under an award without the consent of the participant, unless necessary to comply with applicable law, exchange listing standards or accounting rules. The Board may not, without approval by the stockholders, make any amendment which requires stockholder approval under the applicable law or listing standards of the stock exchange on which the Common Stock is listed.

Except in connection with adjustments to reflect changes in capitalization, the terms of outstanding options and stock appreciation rights may not be amended or modified, without stockholder approval, to reduce the exercise price, to cancel the option or stock appreciation rights when the exercise price exceeds the fair market value of the underlying Common Stock in exchange for another award, or in any other circumstance meeting the definition of a “repricing” under the rules of the New York Stock Exchange.

No awards will be granted under the Plan after the termination of the Plan. However, any award outstanding at the time of the termination of the Plan may be exercised after termination of the Plan at any time prior to the expiration date of such award to the same extent such award would have been exercisable had the Plan not been terminated.

No amendment to the Plan or any award agreement can result in the repricing of stock options or SARs without the prior approval of our stockholders. Repricing is broadly defined to include reducing the exercise price of a stock option or SAR or cancelling a stock option or SAR in exchange for cash or other awards or in conjunction with the grant of any new stock option or SAR with a lower exercise price.

Recoupment

Awards granted under this Plan will be subject to any compensation recoupment policy adopted by the Board to comply with applicable law or to comport with good corporate governance practices, except following a change in control.

Certain Federal Income Tax Considerations

The following is a general description of the United States federal income tax consequences to participants and the Company relating to incentive stock options, non-qualified stock options, stock appreciation rights, restricted shares, restricted stock units, performance awards, other stock-based awards and short-term cash incentive awards that may be granted under the Plan. The Plan is not qualified under Section 401(a) of the Code. This discussion only applies to U.S. citizens and/or residents and does not purport to cover all tax consequences relating to awards granted under the Plan. This description is intended for use by our stockholders in determining how to vote at our Annual Meeting and not as tax advice to persons who receive awards under the Plan. Participants in the Plan should consult with their individual tax advisers to determine the tax consequences associated with awards granted under the Plan.

Incentive Stock Options. A participant generally will not recognize income, and the Company will not be entitled to a deduction from income, at the time of grant of an incentive stock option. If the option is exercised during employment, or within three months thereafter (or one year in the case of a permanently and totally disabled employee), the participant generally will not recognize any income and the Company will not be entitled to a deduction. However, the excess of the fair market value of the shares on the date of exercise over the exercise price generally is included in computing the participant's alternative minimum taxable income.

Generally, if the participant disposes of shares acquired by exercise of an incentive stock option within either two years after the date of grant or one year after the date of exercise, the participant will recognize ordinary income, and the Company will be entitled to a deduction equal to the excess of the fair market value of the shares on the date of exercise over the exercise price (limited generally to the gain on the sale). The balance of any gain or loss will be treated as a capital gain or loss to the participant. If shares are disposed of after the two year and one year periods described above expire, the Company will not be entitled to any deduction, and the entire gain or loss for the participant will be treated as a long-term capital gain or loss.

Non-Qualified Stock Options. A participant generally will not recognize income, and the Company will not be entitled to a deduction from income, at the time of grant of a non-qualified stock option. When the option is exercised, the participant will recognize ordinary income equal to the difference, if any, between the aggregate exercise prices paid and the fair market value, as of the date the option is exercised, of the shares received. The participant's tax basis in shares acquired upon exercise will equal the exercise price paid plus the amount recognized by the participant as ordinary income. The Company generally will be entitled to a federal income tax deduction in the tax year in which the option is exercised, equal to the ordinary income recognized by the participant as described above. If the participant holds shares acquired through exercise of a non-qualified stock option for more than one year after the exercise of the option, the gain or loss realized upon the sale of those shares generally will be a long-term capital gain or loss. The participant's holding period for shares acquired upon the exercise of an option will begin on the date of exercise.

Stock Appreciation Rights. A participant generally will not recognize income, and the Company will not be entitled to a deduction from income, at the time of grant of a stock appreciation right. When the stock appreciation right is exercised, the participant will recognize ordinary income equal to the difference between the aggregate grant price and the fair market value, as of the date the stock appreciation right is exercised, of the Company's Common Stock. The participant's tax basis in shares acquired upon exercise of a stock-settled stock appreciation right will equal the amount recognized by the participant as ordinary income. The Company generally will be entitled to a federal income tax deduction in the year in which the stock appreciation right is exercised, equal to the ordinary income recognized by the participant as described above. If the participant holds shares acquired through exercise of a stock-settled stock appreciation right for more than one year after the exercise of the stock appreciation right, the gain or loss realized upon the sale of those shares will be a long-term capital gain or loss. The participant's holding period for shares acquired upon the exercise of a stock-settled stock appreciation right will begin on the date of exercise.

Restricted Shares. Restricted shares subject to a substantial risk of forfeiture results in income recognition equal to the excess of the fair market value of shares over the purchase price (if any) only at the time the restrictions lapse (unless the participant elects to accelerate recognition as of the date of grant through an election under Section 83(b) of the Code). The Company generally will have (at the time the participant recognizes income) a corresponding deduction.

Restricted Stock Units. Restricted stock units and dividend equivalents generally are subject to tax at the time of payment and the Company generally will have a corresponding deduction when the participant recognizes income.

Other Stock-Based Awards. Other stock-based awards generally are subject to tax at the time of payment. The Company generally will have (at the time the participant recognizes income) a corresponding deduction.

Short-Term Cash Incentive Awards. Short-term cash incentive awards generally are subject to tax at the time of payment. The Company generally will have (at the time the participant recognizes income) a corresponding deduction.

Compliance with Section 409A of the Code. The American Jobs Creation Act of 2004, enacted on October 22, 2004, revised the federal income tax law applicable to certain types of awards that may be granted under the Plan. To the extent applicable, it is intended that the Plan and any grants made under the Plan either be exempt from, or, in the alternative, comply with the provisions of Section 409A of the Code, including the exceptions for stock rights and short-term deferrals. The Company intends to administer the Plan and any grants made thereunder in a manner consistent with the requirements of Section 409A of the Code.

Awards Granted Under the Plan

No awards will be made under the Plan unless it is approved by our stockholders. If stockholder approval is not obtained, the Plan will have no effect.

It is not possible at this time to determine the specific awards that will be made in 2021 and future years under the Plan, if approved. If the Plan is approved, no additional awards will be granted under the 1999 Plan or any prior equity compensation plans. Grants previously made under the 1999 Plan or any prior stock plan will remain in effect according to their respective terms.

As of March 31, 2021, 291,355 shares remained available for future grant under the 1999 Plan and 50,180,006 shares of Common Stock of the Company were outstanding. In calculating the shares available and unvested performance-based awards, WESCO counts performance-based awards at target performance level achievement. As of March 31, 2021, the number of shares to be issued upon vesting, exercise or settlement of outstanding awards under all of our equity-based plans was as follows. The following table sets forth a summary of stock-settled stock appreciation rights and related information for the three months ended.

SECTION 2. Administration

(a) *Committee*. This Plan shall be administered by the Board directly, or if the Board elects, by the Compensation Committee or such other committee of the Board as the Board may from time to time designate, which committee shall be composed of not fewer than two directors and shall be appointed by and serve at the pleasure of the Board. All references in this Plan to the “Committee” refer to the Board as a whole, unless a separate committee has been designated or authorized consistent with the foregoing.

Subject to the terms and conditions of this Plan, the Committee shall have absolute authority:

- (i) To select the Eligible Individuals to whom Awards may from time to time be granted;
- (ii) To determine whether and to what extent Incentive Stock Options, Nonqualified Stock Options, Stock Appreciation Rights, Restricted Stock, Restricted Stock Units, Other Stock-Based Awards, Cash Awards or any combination thereof are to be granted hereunder;
- (iii) To determine the number of Shares to be covered by an Award or the amount of any Cash Award;
- (iv) To approve the form of any Award Agreement and determine the terms and conditions of any Award granted hereunder, including the exercise price and any vesting condition, restriction or limitation;
- (v) To modify, amend, waive or adjust the terms and conditions (including any Performance Goals) of any Award;
- (vi) To determine to what extent and under what circumstances Shares or cash payable with respect to an Award shall be deferred;
- (vii) To determine under what circumstances an Award may be settled in cash, Shares, other property or a combination of the foregoing;
- (viii) To adopt, alter and repeal such administrative rules, guidelines and practices governing this Plan as it shall from time to time deem advisable;
- (ix) To establish any “blackout” period that the Committee in its sole discretion deems necessary or advisable;
- (x) To interpret the terms and provisions of this Plan and any Award issued under this Plan (and any Award Agreement relating thereto);

(xi) To decide all other matters that must be determined in connection with an Award; and

(xii) To otherwise administer this Plan.

(b) *Procedures.*

(i) The Committee may act only by a majority of its members then in office, except that the Committee may, except to the extent prohibited by applicable law or the listing standards of the Applicable Exchange, allocate all or any portion of its responsibilities and powers to any one or more of its members and may delegate all or any part of its responsibilities and powers to any person or persons selected by it. Any such allocation or delegation may be revoked by the Committee at any time.

(ii) Any authority granted to the Committee may be exercised by the full Board. To the extent that any permitted action taken by the Board conflicts with action taken by the Committee, the Board action shall control.

(c) *Discretion of Committee.* Subject to Section 1(h), any determination made by the Committee or pursuant to delegated authority under the provisions of this Plan with respect to any Award shall be made in the sole discretion of the Committee or such delegate at the time of the grant of the Award or, unless in contravention of any express term of this Plan, at any time thereafter. All decisions made by the Committee or any appropriately delegated officer pursuant to the provisions of this Plan shall be final, binding and conclusive on all persons, including the Company, Participants and Eligible Individuals. Any determination made by the Committee or pursuant to delegated authority under the provisions of this Plan, including conditions for grant or vesting and the adjustment of Awards pursuant to Section 3(d) need not be the same for each Participant.

(d) *Cancellation or Suspension.* Subject to Section 5(c), the Committee shall have full power and authority to determine whether, to what extent and under what circumstances any Award shall be canceled or suspended.

(e) *Award Agreements.* The terms and conditions of each Award, as determined by the Committee, shall be set forth in a written (or electronic) Award Agreement, which shall be delivered to the Participant receiving such Award upon, or as promptly as is reasonably practicable following, the grant of such Award. The effectiveness of an Award shall be subject to the Participant's acceptance of the applicable Award Agreement within the time period specified therein (if any).

(f) *Minimum Vesting Period.* Except for Awards granted with respect to a maximum of five percent (5%) of the Shares authorized in the first sentence of Section 3(a), Award Agreements shall not designate a vesting period of less than one year.

(g) *Section 16(b).* The provisions of this Plan are intended to ensure that no transaction under this Plan is subject to (and all such transactions will be exempt from) the short-swing recovery rules of Section 16(b) of the Exchange Act ("*Section 16(b)*"). Accordingly, the composition of the Committee shall be subject to such limitations as the Board deems appropriate to permit transactions pursuant to this Plan to be exempt (pursuant to Rule 16b-3 promulgated under the Exchange Act) from Section 16(b), and no delegation of authority by the Committee shall be permitted if such delegation would cause any such transaction to be subject to (and not exempt from) Section 16(b).

SECTION 3. Common Stock Subject to Plan; Other Limits

(a) *Plan Maximums.* The maximum number of Shares that may be granted pursuant to Awards under this Plan shall be 2,150,000, less any shares issued under the Prior Plan after March 31, 2021 until the Effective Date. The maximum number of Shares that may be granted pursuant to Stock Options intended to be Incentive Stock Options shall be 2,150,000 Shares. Shares subject to an Award under this Plan may be authorized and unissued Shares. On and after the Effective Date, no new awards may be granted under the Company's prior equity compensation plans, it being understood that (i) awards outstanding under any such plans as of the Effective Date shall remain in full force and effect under such plans according to their respective terms, and (ii) to the extent that any such award is forfeited, terminates, expires or lapses without being exercised (to the extent applicable), or is settled for cash, the Shares subject to such award not delivered as a result thereof shall again be available for Awards under this Plan; *provided, however*, that dividend equivalents may continue to be issued under the Company's existing equity compensation plans in respect of awards granted under such plans which are outstanding as of the Effective Date.

(b) *Non-Employee Director Limits.* No Participant who is a non-employee director of the Company may be granted during any calendar year Awards covering Shares with a grant date fair value that are, when aggregated with Cash Awards and other cash compensation for service as a non-employee director during such period, in excess of \$600,000.

(c) *Rules for Calculating Shares Issued.* To the extent that any Award is forfeited, terminates, expires or lapses instead of being exercised, or any Award is settled for cash, the Shares subject to such Award that are not delivered as a result thereof shall again be available for Awards under this Plan. If the exercise price of any Stock Option or Stock Appreciation Right and/or the tax withholding obligations relating to any Stock Option or Stock Appreciation Right are satisfied by delivering Shares (either actually or through a signed document affirming the Participant's ownership and delivery of such Shares) or withholding Shares relating to such Award, the gross number of Shares subject to the Award shall nonetheless be deemed to have been granted for purposes of the first sentence of Section 3(a). For the avoidance of doubt, Shares of Common Stock withheld by the Company or delivered (either by

actual delivery or attestation) to the Company by a Participant to satisfy any applicable tax withholding obligation with respect to a Full-Value Award will in each case again be available for issuance under the Plan in an amount equal to the corresponding reduction in the maximum Share limit previously made in accordance with the rules described above in Section 3(a).

(d) *Adjustment Provisions.*

(i) In the event of a merger, consolidation, acquisition of property or shares, stock rights offering, liquidation, disposition for consideration of the Company's direct or indirect ownership of a Subsidiary or Affiliate (including by reason of a Disaffiliation), or similar event affecting the Company or any of its Subsidiaries (each, a "*Corporate Transaction*"), the Committee or the Board may in its discretion make such substitutions or adjustments as it deems appropriate and equitable to (A) the limits set forth in Sections 3(a) and 3(b); (B) the number and kind of Shares or other securities subject to outstanding Awards; (C) the Performance Goals applicable to outstanding Awards; (D) the number of Shares considered delivered based on the type of Award granted as set forth in Section 3(c); and (E) the exercise price of outstanding Awards. In the event of a Corporate Transaction, such adjustments may include (I) the cancellation of outstanding Awards in exchange for payments of cash, property or a combination thereof having an aggregate value equal to the value of such Awards, as determined by the Committee in its sole discretion (it being understood that in the event of a Corporate Transaction with respect to which shareholders of Common Stock receive consideration other than publicly traded equity securities of the ultimate surviving entity, any such determination by the Committee that the value of a Stock Option or Stock Appreciation Right shall for this purpose be deemed to equal the excess, if any, of the value of the consideration being paid for each Share pursuant to such Corporate Transaction over the exercise price of such Stock Option or Stock Appreciation Right shall be deemed conclusively valid); (II) the substitution of other property (including cash or other securities of the Company and securities of entities other than the Company) for the Shares subject to outstanding Awards; and (III) in connection with any Disaffiliation, arranging for the assumption of Awards, or replacement of Awards with new awards based on other property or other securities (including other securities of the Company and securities of entities other than the Company), by the affected Subsidiary, Affiliate, or division or by the entity that controls such Subsidiary, Affiliate, or division following such Disaffiliation (as well as any corresponding adjustments to Awards that remain based upon Company securities).

(ii) In the event of a stock dividend, stock split, reverse stock split, reorganization, share combination, or recapitalization or similar event affecting the capital structure of the Company, or a Disaffiliation, separation or spinoff, in each case without consideration, or other extraordinary dividend of cash or other property to the Company's shareholders, the Committee or the Board shall make such substitutions or adjustments as it deems appropriate and equitable to (A) the limits set forth in Sections 3(a) and 3(b); (B) the number and kind of Shares or other securities subject to outstanding Awards; (C) the Performance Goals applicable to outstanding Awards; (D) the number of Shares considered delivered based on the type of Award granted as set forth in Section 3(c); and (E) the exercise price of outstanding Awards.

SECTION 4. Eligibility

Awards may be granted under this Plan to Eligible Individuals; *provided, however*, that Incentive Stock Options may be granted only to employees of the Company and its subsidiaries or parent corporation (within the meaning of Section 424(f) of the Code).

SECTION 5. Stock Options and Stock Appreciation Rights

(a) *Stock Options.* Stock Options may be granted alone or in addition to other Awards granted under this Plan and may be of two types: Incentive Stock Options and Nonqualified Stock Options. The Award Agreement for a Stock Option shall indicate whether the Stock Option is intended to be an Incentive Stock Option or a Nonqualified Stock Option.

(b) *Stock Appreciation Rights.* Upon the exercise of a Stock Appreciation Right, the Participant shall be entitled to receive an amount in cash or Shares in value equal to the product of (i) the excess of the Fair Market Value of one Share over the exercise price of the applicable Stock Appreciation Right, multiplied by (ii) the number of Shares in respect of which the Stock Appreciation Right has been exercised. The applicable Award Agreement shall specify whether such payment is to be made in cash or Shares, or shall reserve to the Committee or the Participant the right to make that determination prior to or upon the exercise of the Stock Appreciation Right.

(c) *Exercise Price; Prohibition on Repricing.* The exercise price per Share subject to a Stock Option or Stock Appreciation Right shall be determined by the Committee and set forth in the applicable Award Agreement and shall not be less than the Fair Market Value of a Share on the applicable Grant Date. In no event may any Stock Option or Stock Appreciation Right granted under this Plan be amended, other than pursuant to Section 3(d), to decrease the exercise price thereof, be cancelled in exchange for cash or other Awards or in conjunction with the grant of any new Stock Option or Stock Appreciation Right with a lower exercise price, or otherwise be subject to any action that would be treated, under the Applicable Exchange listing standards or for accounting purposes, as a "repricing" of such Stock Option or Stock Appreciation Right, unless such amendment, cancellation, or action is approved by the Company's shareholders.

- (d) *Term.* The Term of each Stock Option and each Stock Appreciation Right shall be fixed by the Committee, but no Stock Option or Stock Appreciation Right shall be exercisable more than 10 years after its Grant Date.
- (e) *Exercisability.* Except as otherwise provided herein, Stock Options and Stock Appreciation Rights shall be exercisable at such time or times and subject to such terms and conditions as shall be determined by the Committee.
- (f) *Method of Exercise.* Subject to the provisions of this Section 5, Stock Options and Stock Appreciation Rights may be exercised, in whole or in part, at any time during the Term thereof in accordance with the methods and procedures established by the Committee in the Award Agreement or otherwise.
- (g) *Delivery; Rights of Shareholders.* A Participant shall not be entitled to delivery of Shares pursuant to the exercise of a Stock Option or Stock Appreciation Right until the exercise price therefor has been fully paid and applicable taxes have been withheld. Except as otherwise provided in Section 5(k), a Participant shall have all of the rights of a shareholder of the Company holding the number of Shares deliverable pursuant to such Stock Option or Stock Appreciation Right (including, if applicable, the right to vote the applicable Shares), when the Participant (i) has given written notice of exercise, (ii) if requested, has given the representation described in Section 12(a) and (iii) in the case of a Stock Option, has paid in full for such Shares.
- (h) *Nontransferability of Stock Options and Stock Appreciation Rights.* No Stock Option or Stock Appreciation Right shall be transferable by a Participant other than, for no value or consideration, by will or by the laws of descent and distribution or as otherwise expressly permitted by the Committee. Any Stock Option or Stock Appreciation Right shall be exercisable, subject to the terms of this Plan, only by the Participant, the guardian or legal representative of the Participant, or any person to whom such stock option is transferred pursuant to this Section 5(h), it being understood that the term "holder" and "Participant" include such guardian, legal representative and other transferee; *provided, however*, that the term "Termination of Service" shall continue to refer to the Termination of Service of the original Participant.
- (i) *Termination of Service.* The effect of a Participant's Termination of Service on any Award of Stock Options or Stock Appreciation Rights then held by such Participant shall be set forth in the applicable Award Agreement or any other document approved by the Committee and applicable to such Award.
- (j) *Additional Rules for Incentive Stock Options.* Notwithstanding any other provision of this Plan to the contrary, no Stock Option that is intended to qualify as an Incentive Stock Option may be granted to any Eligible Individual who at the time of such grant owns stock possessing more than 10% of the total combined voting power of all classes of stock of the Company or of any Subsidiary, unless at the time such Stock Option is granted the exercise price is at least 110% of the Fair Market Value of a Share and such Stock Option by its terms is not exercisable after the expiration of five years from the date such Stock Option is granted. In addition, the aggregate Fair Market Value of the Common Stock (determined at the time a Stock Option for the Common Stock is granted) for which Incentive Stock Options are exercisable for the first time by a Participant during any calendar year, under all of the incentive stock option plans of the Company and of any Subsidiary, may not exceed \$100,000. To the extent a Stock Option that by its terms was intended to be an Incentive Stock Option exceeds this \$100,000 limit, the portion of the Stock Option in excess of such limit shall be treated as a Nonqualified Stock Option.
- (k) *Dividends and Dividend Equivalents.* Dividends (whether paid in cash or Shares) and dividend equivalents may not be paid or accrued on Stock Options or Stock Appreciation Rights; *provided* that Stock Options and Stock Appreciation Rights may be adjusted under certain circumstances in accordance with the terms of Section 3(d).

SECTION 6. Restricted Stock

- (a) *Nature of Awards.* Shares of Restricted Stock are actual Shares issued to a Participant that are subject to vesting or forfeiture provisions and may be awarded either alone or in addition to other Awards granted under this Plan.
- (b) *Book Entry Registration or Certificated Shares.* Shares of Restricted Stock shall be evidenced in such manner as the Committee may deem appropriate, including book-entry registration or issuance of one or more stock certificates. If any certificate is issued in respect of Shares of Restricted Stock, such certificate shall be registered in the name of the Participant and shall bear an appropriate legend referring to the terms, conditions, and restrictions applicable to such Award, substantially in the following form:

The transferability of this certificate and the shares of stock represented hereby are subject to the terms and conditions (including forfeiture) of the WESCO International, Inc. 2021 Omnibus Incentive Plan and an award agreement. Copies of such plan and award agreement are on file at the offices of WESCO International, Inc., 225 West Station Square Drive, Suite 700, Pittsburgh, PA 15219.

The Committee may require that the certificates evidencing such Shares be held in custody by the Company until the restrictions thereon shall have lapsed and that, as a condition of any Award of Restricted Stock, the applicable Participant shall have delivered a stock power, endorsed in blank, relating to the Common Stock covered by such Award.

(c) *Terms and Conditions.* Shares of Restricted Stock shall be subject to the following terms and conditions and such other terms and conditions as are set forth in the applicable Award Agreement (including the vesting or forfeiture provisions applicable upon a Termination of Service):

(i) The Committee shall, prior to or at the time of grant, condition (A) the vesting of an Award of Restricted Stock upon the continued service of the applicable Participant, or (B) the grant or vesting of an Award of Restricted Stock upon the attainment of Performance Goals or the attainment of Performance Goals and the continued service of the applicable Participant.

(ii) Subject to the provisions of this Plan and the applicable Award Agreement, a Participant shall not be permitted to sell, assign, transfer, pledge or otherwise encumber an Award of Restricted Stock prior to such time as all applicable vesting conditions are satisfied.

(d) *Rights of a Shareholder.* Except as provided in this Section 6 and the applicable Award Agreement, a Participant shall have the same rights as any other holder of Shares with respect to Shares of Restricted Stock, including, if applicable, the right to vote the Shares and the right to receive any dividends; *provided, however,* that, unless otherwise determined by the Committee and subject to Section 12(e), (i) cash dividends on Shares shall be payable in cash and shall be held subject to the vesting of the underlying Restricted Stock and (ii) dividends payable in Shares shall be paid in the form of Restricted Stock, and shall be held subject to the vesting of the underlying Restricted Stock.

(e) *Termination of Service.* The effect of a Participant's Termination of Service on any Award of Restricted Stock then held by such Participant shall be set forth in the applicable Award Agreement or any other document approved by the Committee and applicable to such Award.

SECTION 7. Restricted Stock Units

(a) *Nature of Awards.* Restricted stock units ("*Restricted Stock Units*") are Awards denominated in Shares that will be settled, subject to the terms and conditions of the applicable Award Agreement, in a specified number of Shares or an amount of cash equal to the Fair Market Value of a specified number of Shares.

(b) *Terms and Conditions.* Restricted Stock Units shall be subject to the following terms and conditions and such other terms and conditions as are set forth in the applicable Award Agreement (including the vesting or forfeiture provisions applicable upon a Termination of Service):

(i) The Committee shall, prior to or at the time of grant, condition (A) the vesting of Restricted Stock Units upon the continued service of the applicable Participant, or (B) the grant or vesting of Restricted Stock Units upon the attainment of Performance Goals or the attainment of Performance Goals and the continued service of the applicable Participant. An Award of Restricted Stock Units shall be settled as and when the Restricted Stock Units vest, at a later time specified by the Committee in the applicable Award Agreement, or, if the Committee so permits, in accordance with an election of the Participant.

(ii) Subject to the provisions of this Plan and the applicable Award Agreement, a Participant shall not be permitted to sell, assign, transfer, pledge or otherwise encumber Restricted Stock Units.

(c) *Rights of a Shareholder.* A Participant to whom Restricted Stock Units are awarded shall have no rights as a shareholder with respect to the Shares represented by the Restricted Stock Units unless and until Shares are actually delivered to the participant in settlement thereof. Unless otherwise determined by the Committee and subject to Section 12(e), an Award of Restricted Stock Units shall be adjusted to reflect deemed reinvestment in additional Restricted Stock Units of the dividends that would be paid and distributions that would be made with respect to the Award of Restricted Stock Units if it consisted of actual Shares.

(d) *Termination of Service.* The effect of a Participant's Termination of Service on any Award of Restricted Stock Units then held by such Participant shall be set forth in the applicable Award Agreement or any other document approved by the Committee and applicable to such Award.

SECTION 8. Other Stock-Based Awards

The Committee may grant Awards of Shares or related to Shares not otherwise described herein in such amounts and subject to such terms and conditions consistent with the terms of this Plan as the Committee shall determine. Without limiting the generality of the preceding sentence, each such Other Stock-Based Award may (a) involve the transfer of actual Shares to Participants, either at the

time of grant or thereafter, or payment in cash or otherwise of amounts based on the value of Shares, (b) be subject to performance-based and/or service-based conditions, (c) be in the form of phantom stock, restricted stock, restricted stock units, performance shares, deferred share units or share-denominated performance units, or other Awards denominated in, or with a value determined by reference to, a number of Shares that is specified at the time of the grant of such Award, and (d) be designed to comply with applicable laws of jurisdictions other than the United States.

SECTION 9. Cash Awards

The Committee may grant Awards to Eligible Individuals that are denominated and payable in cash in such amounts and subject to such terms and conditions consistent with the terms of this Plan as the Committee shall determine. With respect to a Cash Award subject to Performance Goals, the Performance Goals to be achieved during any performance period and the length of the performance period shall be determined by the Committee upon the grant of such Cash Award.

SECTION 10. Change-in-Control Provisions

(a) *General.* The provisions of this Section 10 shall, subject to Section 3(d), apply notwithstanding any other provision of this Plan to the contrary, except to the extent the Committee specifically provides otherwise in an Award Agreement.

(b) *Impact of Change in Control.* Upon the occurrence of a Change in Control, unless otherwise provided in the applicable Award Agreement: (i) all then-outstanding Stock Options and Stock Appreciation Rights shall become fully vested and exercisable, and all Full-Value Awards (other than performance-based Full-Value Awards) and all Cash Awards (other than performance-based Cash Awards) shall vest in full, be free of restrictions, and be deemed to be earned and payable in an amount equal to the full value of such Award, except in each case to the extent that another Award meeting the requirements of Section 10(c) (any award meeting the requirements of Section 10(c), a “*Replacement Award*”) is provided to the Participant pursuant to Section 3(d) to replace such Award (any award intended to be replaced by a Replacement Award, a “*Replaced Award*”), and (ii) any performance-based Full-Value Award or Cash Award that is not replaced by a Replacement Award shall be deemed to be earned and payable in an amount equal to the full value of such performance-based Award (with all applicable Performance Goals deemed achieved at the greater of (x) the applicable target level and (y) the level of achievement as determined by the Committee not later than the date of the Change in Control, taking into account performance through the latest date preceding the Change in Control as to which performance can, as a practical matter, be determined (but not later than the end of the applicable performance period)).

(c) *Replacement Awards.* An Award shall meet the conditions of this Section 10(c) (and hence qualify as a Replacement Award) if: (i) it is of the same type as the Replaced Award; (ii) it has a value equal to the value of the Replaced Award as of the date of the Change in Control, as determined by the Committee in its sole discretion consistent with Section 3(d); (iii) the underlying Replaced Award was an equity-based award, it relates to publicly traded equity securities of the Company or the entity surviving the Company following the Change in Control; (iv) it contains terms relating to vesting (including with respect to a Termination of Service) that are substantially identical to those of the Replaced Award; and (v) its other terms and conditions are not less favorable to the Participant than the terms and conditions of the Replaced Award (including the provisions that would apply in the event of a subsequent Change in Control) as of the date of the Change in Control. Without limiting the generality of the foregoing, a Replacement Award may take the form of a continuation of the applicable Replaced Award if the requirements of the preceding sentence are satisfied. If a Replacement Award is granted, the Replaced Award shall not vest upon the Change in Control. The determination whether the conditions of this Section 10(c) are satisfied shall be made by the Committee, as constituted immediately before the Change in Control, in its sole discretion.

(d) *Termination of Service.* Notwithstanding any other provision of this Plan to the contrary and unless otherwise determined by the Committee and set forth in the applicable Award Agreement, upon a Termination of Service of a Participant by the Company other than for Cause within 24 months following a Change in Control, (i) all Replacement Awards held by such Participant shall vest in full, be free of restrictions, and be deemed to be earned in full (with respect to Performance Goals, unless otherwise agreed in connection with the Change in Control, at the greater of (x) the applicable target level and (y) the level of achievement of the Performance Goals for the Award as determined by the Committee taking into account performance through the latest date preceding the Termination of Service as to which performance can, as a practical matter, be determined (but not later than the end of the applicable performance period)), and (ii) unless otherwise provided in the applicable Award Agreement, notwithstanding any other provision of this Plan to the contrary, any Stock Option or Stock Appreciation Right held by the Participant as of the date of the Change in Control that remains outstanding as of the date of such Termination of Service may thereafter be exercised until the expiration of the stated full Term of such Nonqualified Stock Option or Stock Appreciation Right.

(e) *Definition of Change in Control.* For purposes of this Plan, a “Change in Control” shall mean the occurrence of any of the following events:

(i) An acquisition by any individual, entity or group (within the meaning of Section 13(d)(3) or 14(d)(2) of the Exchange Act) (a “Person”) of beneficial ownership (within the meaning of Rule 13d-3 promulgated under the Exchange Act) of 30% or more of either (1) the then outstanding shares of common stock of the Company (the “*Outstanding Company Common Stock*”) or (2) the combined voting power of the then outstanding voting securities of the Company entitled to vote generally in the election of directors (the “*Outstanding Company Voting Securities*”); *provided, however*, that for purposes of this subsection (i), the following acquisitions shall not constitute a Change in Control: (1) any acquisition directly from the Company; (2) any acquisition by the Company; (3) any acquisition by any employee benefit plan (or related trust) sponsored or maintained by the Company or any entity controlled by the Company; or (4) any acquisition by any entity pursuant to a transaction that complies with clauses (1), (2) and (3) of subsection (iii) of this Section 10(e); or

(ii) A change in the composition of the Board such that the individuals who, as of the Effective Date, constitute the Board (the “*Incumbent Board*”) cease for any reason to constitute at least a majority of the Board; *provided, however*, that any individual who becomes a member of the Board subsequent to the Effective Date whose election, or nomination for election by the Company’s shareholders, was approved by a vote of at least a majority of those individuals who are members of the Board and who were also members of the Incumbent Board (or deemed to be such pursuant to this proviso) shall be considered as though such individual were a member of the Incumbent Board; *provided further*, that any such individual whose initial assumption of office occurs as a result of either an actual or threatened election contest with respect to the election or removal of directors or other actual or threatened solicitation of proxies or consents by or on behalf of a Person other than the Board shall not be considered as a member of the Incumbent Board; or

(iii) The consummation of a reorganization, merger, statutory share exchange or consolidation or similar transaction involving the Company or any of its Subsidiaries or sale or other disposition of all or substantially all of the assets of the Company, or the acquisition of assets or securities of another entity by the Company or any of its subsidiaries (a “*Business Combination*”), in each case, unless, following such Business Combination: (1) all or substantially all of the individuals and entities who were the beneficial owners, respectively, of the Outstanding Company Common Stock and Outstanding Company Voting Securities immediately prior to such Business Combination beneficially own, directly or indirectly, more than 50% of, respectively, the then outstanding shares of common stock (or, for a noncorporate entity, equivalent securities) and the combined voting power of the then outstanding voting securities entitled to vote generally in the election of directors (or, for a noncorporate entity, equivalent securities), as the case may be, of the entity resulting from such Business Combination (including an entity that, as a result of such transaction, owns the Company or all or substantially all of the Company’s assets either directly or through one or more subsidiaries) in substantially the same proportions as their ownership, immediately prior to such Business Combination of the Outstanding Company Common Stock and Outstanding Company Voting Securities, as the case may be; (2) no Person (excluding any entity resulting from such Business Combination or any employee benefit plan (or related trust) of the Company or such entity resulting from such Business Combination) beneficially owns, directly or indirectly, 30% or more of, respectively, the then outstanding shares of common stock (or, for a noncorporate entity, equivalent securities) of the entity resulting from such Business Combination or the combined voting power of the then outstanding voting securities of such entity except to the extent that such ownership existed prior to the Business Combination; and (3) at least a majority of the members of the board of directors (or, for a noncorporate entity, equivalent body or committee) of the entity resulting from such Business Combination were members of the Board at the time of the execution of the initial agreement, or of the action of the Board, providing for such Business Combination; or

(iv) The approval by the shareholders of the Company of a complete liquidation or dissolution of the Company.

Notwithstanding any other provision of this Plan, any Award Agreement or any Individual Agreement, with respect to any Award that constitutes “nonqualified deferred compensation” within the meaning of Section 409A of the Code, a Change in Control shall not constitute a settlement or distribution event with respect to such Award, or an event that otherwise changes the timing of settlement or distribution of such Award, unless the Change in Control also constitutes an event described in Section 409A(a)(2)(v) of the Code and the regulations thereto. For the avoidance of doubt, this paragraph shall have no bearing on whether an Award vests pursuant to the terms of this Plan or the applicable Award Agreement or Individual Agreement.

SECTION 11. Term, Termination and Amendment

(a) *Effectiveness.* This Plan was approved by the Board on March 30, 2021 subject to and contingent upon approval by the Company’s shareholders. This Plan will be effective as of the date of such approval by the Company’s shareholders (the “*Effective Date*”).

(b) *Termination.* This Plan shall terminate on the tenth anniversary of the Effective Date. Awards outstanding as of such date shall not be affected or impaired by the termination of this Plan.

(c) *Amendments.* The Committee may amend, alter, or discontinue this Plan or an Award, *provided* that no amendment, alteration or discontinuation shall be made that would materially impair the rights of the Participant with respect to a previously granted Award without such Participant's consent, except to the extent necessary to comply with applicable law, including Section 409A of the Code, Applicable Exchange listing standards or accounting rules. In addition, no amendment shall be made without the approval of the Company's shareholders to the extent such approval is required by applicable law or the listing standards of the Applicable Exchange or as contemplated by Section 5(c).

SECTION 12. Miscellaneous Provisions

(a) *Conditions for Issuance.* The Committee may require each person purchasing or receiving Shares pursuant to an Award to represent to and agree with the Company in writing that such person is acquiring the Shares without a view to the distribution thereof. The certificates for such Shares may include any legend that the Committee deems appropriate to reflect any restrictions on transfer. Notwithstanding any other provision of this Plan or agreements made pursuant thereto, the Company shall not be required to issue or deliver any Shares (whether in certificated or book entry form) under this Plan prior to fulfillment of all of the following conditions: (i) listing or approval for listing upon notice of issuance, of such Shares on the Applicable Exchange; (ii) any registration or other qualification of such Shares of the Company under any state or federal law or regulation, or the maintaining in effect of any such registration or other qualification that the Committee shall, in its absolute discretion upon the advice of counsel, deem necessary or advisable; and (iii) obtaining any other consent, approval, or permit from any state or federal governmental agency that the Committee shall, in its absolute discretion, determine to be necessary or advisable.

(b) *Additional Compensation Arrangements.* Nothing contained in this Plan shall prevent the Company or any Subsidiary or Affiliate from adopting other or additional compensation arrangements for its employees.

(c) *No Contract of Employment.* This Plan shall not constitute a contract of employment, and adoption of this Plan shall not confer upon any employee any right to continued employment, nor shall it interfere in any way with the right of the Company or any Subsidiary or Affiliate to terminate the employment of any employee at any time.

(d) *Taxes.*

(i) Withholding. No later than the date as of which an amount first becomes includible in the gross income of a Participant for federal, state, local or foreign income or employment or other tax purposes with respect to any Award under this Plan, such Participant shall pay to the Company, or make arrangements satisfactory to the Company regarding the payment of, any federal, state, local or foreign taxes of any kind required by law to be withheld with respect to such amount. Unless otherwise determined by the Company, withholding obligations may be settled with Common Stock, including Common Stock that is part of the Award that gives rise to the withholding requirement, having a Fair Market Value on the date of withholding equal to the amount to be withheld for tax purposes, all in accordance with such procedures as the Committee establishes. The obligations of the Company under this Plan shall be conditional on such payment or arrangements, and the Company and its Affiliates shall, to the extent permitted by law, have the right to deduct any such taxes from any payment otherwise due to such Participant. The Committee may establish such procedures as it deems appropriate, including making irrevocable elections, for the settlement of withholding obligations with Common Stock; provided, however, unless otherwise determined by the Committee, with respect to a Participant subject to Section 16 of the Exchange Act, the withholding of Shares by the Company or any of its Affiliates to satisfy tax, exercise price or other withholding obligations in respect of an Award shall be mandatory.

(ii) Section 409A. This Plan and the Awards hereunder are intended to comply with the requirements of Section 409A of the Code or an exemption or exclusion therefrom and, with respect to amounts that are subject to Section 409A of the Code, it is intended that this Plan be administered in all respects in accordance with Section 409A of the Code; provided, however, that the Board, Committee and the Company shall have no liability to any Participant or otherwise in the event that any adjustment is not compliant with, or does not maintain an exemption from, the requirements of Section 409A of the Code. Each payment under any Award shall be treated as a separate payment for purposes of Section 409A of the Code. In no event may a Participant, directly or indirectly, designate the calendar year of any payment to be made under any Award that constitutes nonqualified deferred compensation subject to Section 409A of the Code. Notwithstanding any other provision of this Plan or any Award Agreement to the contrary, if a Participant is a "specified employee" within the meaning of Section 409A of the Code (as determined in accordance with the methodology established by the Company), amounts that constitute "nonqualified deferred compensation" within the meaning of Section 409A of the Code that otherwise would be payable by reason of a Participant's Separation from Service during the six-month period immediately following such Separation from Service shall instead be paid or provided on the first business day following the date that is six months following the Participant's Separation from Service or any earlier date permitted by Section 409A of the Code. If the Participant dies following the Separation from Service and prior to the payment of any amounts delayed on account of Section 409A of the Code, such amounts shall be paid to the personal representative of the Participant's estate within 30 days following the date of the Participant's death.

(e) *Limitation on Dividend Reinvestment and Dividend Equivalents.* Reinvestment of dividends in additional Restricted Stock at the time of any dividend payment, and the payment of Shares with respect to dividends to Participants holding Awards of Restricted Stock Units, shall only be permissible if sufficient Shares are available under Section 3 for such reinvestment or payment (taking into account then-outstanding Awards). If sufficient Shares are not available for such reinvestment or payment, such reinvestment or payment shall be made in the form of a grant of Restricted Stock Units equal in number to the Shares that would have been obtained by such payment or reinvestment, the terms of which Restricted Stock Units shall provide for settlement in cash and for dividend equivalent reinvestment in further Restricted Stock Units on the terms contemplated by this Section 12(e). Any dividends or dividend equivalents credited with respect to any Award shall be subject to the same time and/or performance-based vesting conditions applicable to such Award and shall, if vested, be delivered or paid at the same time as such Award.

(f) *Designation of Death Beneficiary.* The Committee shall establish such procedures as it deems appropriate for a Participant to designate a beneficiary to whom any amounts payable in the event of such Participant's death are to be paid or by whom any rights of such eligible Individual, after such Participant's death, may be exercised.

(g) *Subsidiary Employees.* In the case of a grant of an Award to any employee of a Subsidiary, the Company may, if the Committee so directs, issue or transfer the Shares, if any, covered by the Award to the Subsidiary, for such lawful consideration as the Committee may specify, upon the condition or understanding that the Subsidiary will transfer the Shares to the employee in accordance with the terms of the Award specified by the Committee pursuant to the provisions of this Plan. All Shares underlying Awards that are forfeited or canceled revert to the Company.

(h) *Governing Law and Interpretation.* This Plan and all Awards made and actions taken hereunder shall be governed by and construed in accordance with the laws of the State of Delaware, without reference to principles of conflict of laws. The captions of this Plan are not part of the provisions hereof and shall have no force or effect. Whenever the words "include," "includes" or "including" are used in this Plan, they shall be deemed to be followed by the words "but not limited to" and the word "or" shall be understood to mean "and/or."

(i) *Non-Transferability.* Except as otherwise provided in Sections 5(h) or as determined by the Committee, Awards under this Plan are not transferable except by will or by laws of descent and distribution.

(j) *Unfunded Status of the Plan.* It is intended that this Plan constitute an "unfunded" plan. Neither the Company nor the Committee shall have any obligation to segregate assets or establish a trust or other arrangements to meet the obligations created under this Plan. Any liability of the Company to any Participant with respect to an Award shall be based solely upon contractual obligation created by this Plan and the Award Agreement. No such obligation shall be deemed to be secured by any pledge or encumbrance on the property of the Company.

(k) *Clawback Policy.* Awards granted under this Plan shall be subject to any compensation recovery policy adopted by the Board to comply with applicable law, including, without limitation, the Dodd-Frank Wall Street Reform and Consumer Protection Act, or to comport with good corporate governance practices, as such policy may be in effect from time to time; provided, however, that this that this Section 12(k) shall not apply on or following a Change in Control.
